BY MONACO

THE EXECUTIVE  

---

A Powerful Statement.

It's how you  
feel on the inside  
that counts.

---

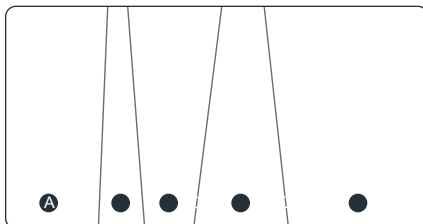

The warmth of hardwood cabinetry. The plush softness of leather and richly patterned fabrics. And the irresistible appeal of ceramic tile and rounded solid surfaces. It's a magical place—it's The Executive. Naturally, you'll find every imaginable comfort and impeccable decorative touches, including roomy overhead storage cabinets, day/night pleated shades and a new, larger legless dinette table. And, to complete the picture, there's a line in the specs that says it all: "Mood Lighting Throughout." The Executive. Simply a masterpiece, inside and out.

## 2003 exterior colors, fabrics and woods

For 2003, our designers have selected exquisite fabric combinations for each model of The Executive. And adding to the luxury, Monaco is pleased to offer the textures and colors of Ralph Lauren fabrics. Now, it's your turn to choose.

This stylish new sculptured carpet has a three-dimensional plushness and adds a distinctive touch to the cozy comfort underfoot.
