VACATIONER® 03

Versatile Value

HOLIDAY RAMBLER®

This is Living

One picture

is worth a list
of a hundred features.

This is the face of an adventure-loving, value-packed gas motorhome, with all the sleek styling of a luxury diesel coach. And, while we encourage you to study and compare the long list of standard and optional features, the Vacationer is truly a coach you should see for yourself.

* Actual Filled LP Capacity is 80% of Listing Due to Safety Shut Off Required on Tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs.
