With a wide range of floor plans and features that are typically seen on more expensive trailers, Hornet gives you a high-end look without the high-end price.

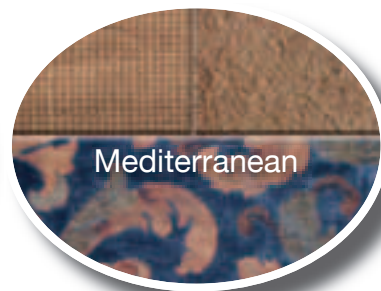

Hornet's model 30FKS features a deep double-bowl sink, high-rise faucet and oversize countertop. All cabinetry is securely assembled with screws featuring raised panel upper cabinet doors and solid wood drawer fronts.

Hornet Model 30BHS features extra storage areas which are carefully designed to not impede precious floor space.
