

# 08 SUNSTAR

## CLASS A VALUE

If you are ready for Class A comfort and quality, take a look at the Itasca Sunstar.® It has everything you need to create trips and vacations you'll remember for a lifetime, including a full-featured galley with a microwave oven and a range top for all your cooking needs. Large cabinets with a catalyzed finish and satin nickel hardware are as attractive as they are functional. Choose the available all-vinyl floorcovering in the lounge area for easy cleanups.

All three models include a dinette that converts into a comfortable bed in seconds. Contemporary furniture and a 24" TV ensure you'll always be comfortable and have a good time in your Sunstar. Plus, you know each model was designed for maximum benefit with SmartSpace™ features like an underbed storage compartment on the 32K that has access from outside the coach and a pantry that can be converted into a wardrobe on the 30B. Make the smart choice for Class A style and comfort with a 2008 Sunstar from Itasca.®

30B Toffee with Sierra Maple

**MODERN CONVENIENCES** Enjoy the RV lifestyle with conveniences such as a residential thermostat and the OnePlace® systems center that places common controls in a single location. The dinette and sofa quickly and easily convert to additional sleeping spaces.

### BUNK BEDS

Bunk beds with available flip-down LCD screens and DVD players on the 32K are perfect for the traveling family.

32K Mineral with Sierra Maple

**BEDROOM** Get settled in the bedroom with a walk-around queen-size bed, wardrobe and an abundance of storage cabinets.

**EXTERIOR STORAGE**  
Smart Storage™ employs innovative ideas to let you carry more gear. This includes a large trunk on the 30B and 33T, and a clever side storage compartment on the 32K.

**EXTERIOR SERVICE CENTER** A convenient service center with color-coded labels makes hookups quick and easy.

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
  - Sunstar floorplans feature a wide-body design – over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
  - The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
  - Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
  - Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
  - Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
  - See separate chassis warranty.
  - See your dealer for complete warranty information.
- NA Not Available  
S Standard  
O Optional
- Not all items available in combination. See dealer for details.

Winnebago Industries® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.

## EXTERIOR GRAPHICS

Dark Cherry/Gold/Smoke

Sunstar features high-gloss fiberglass sidewalls for great looks and easy maintenance. A fiberglass roof is also standard. It is more durable than a rubber roof, doesn't streak or "bleed" and is backed with a 10-year limited parts-and-labor roof-skin warranty.
