Fifth Wheels & Travel Trailers

Sydney Edition

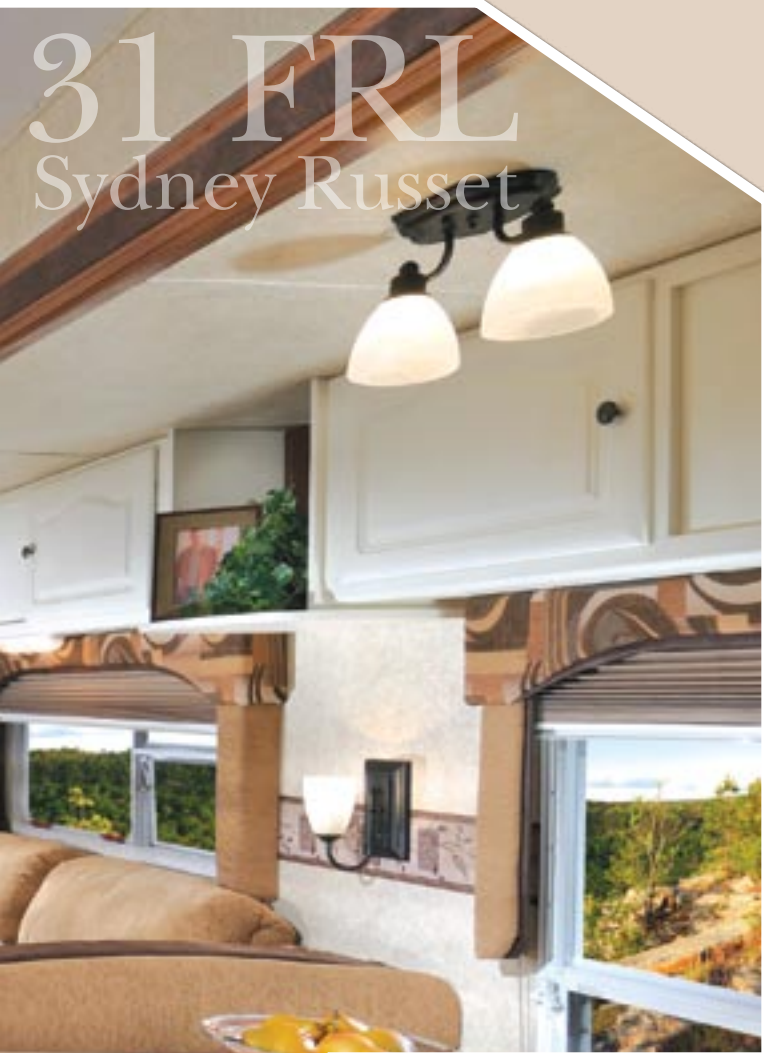

Experience the Wonder of Sydney: Focused on aerodynamic and tasteful design throughout and fashioned with lighter interiors for the fresh look of today. Outback has earned a reputation for high-end quality at a mid-range price point.

From its smooth exterior, finished with no exposed fittings, to the concealed hinges of the easy maintenance Thermofoil lightweight cabinetry, Outback strives for durability as well as style, using the latest materials technology to combine strength with lightness. With the growth and development of the Sydney edition, Outback is providing for those who want to step up to an even more pleasingly appointed fifth wheel or travel trailer. You'll be amazed at the value of Sydney's standard features, and the appealing options, like our free-standing dining table with pedestal base and slatted wood chairs.

How can anything so light in weight be so sturdy, innovative and attractive? Ask any Sydney owner!

Whether you're watching the big game, listening to your favorite music or cooking your next meal, you can do it all underneath the awning of a Sydney. Sydney features an LCD Campsite Theatre that includes a 19" LCD TV that can be mounted on an exterior clip provided underneath the awning. The Outside Camp Kitchen includes a 2-burner Cook Top, H/C Water Faucet, 20' Water Hose, Cutting Board and Towel Bar. Also for your convenience are Exterior Security Lights, Exterior Speakers and a 110 Volt Electrical Outlet.

Travel Trailer Features

1. Sydney features 8 Cu Ft refrigerators in all models.
2. 19" LCD TV mounted in the living area also comes with a outside mounting bracket.
3. Stay cool with Sydney's Quick Cool Air Conditioning System.
4. Sydney trailers come with a protective front diamond plating.

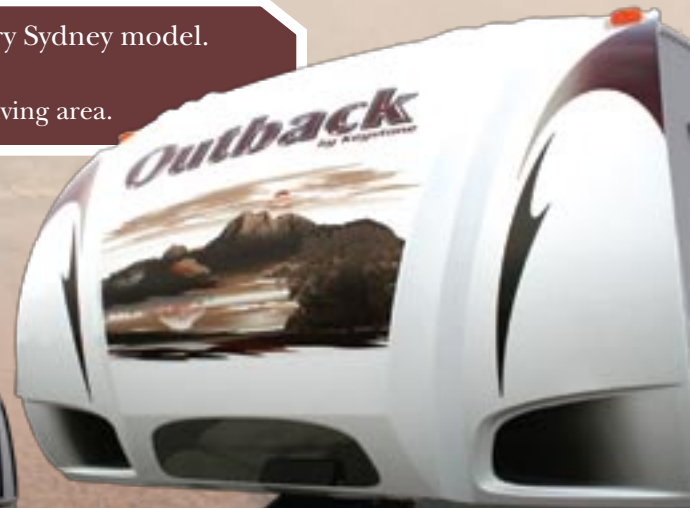

Fifth Wheel Features

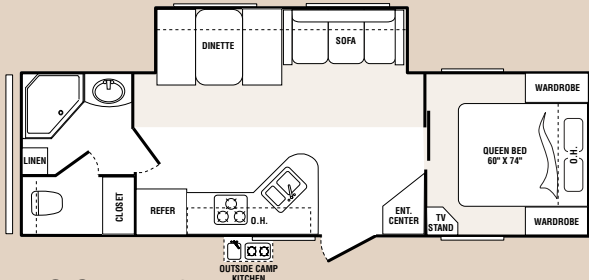

1. Oversized pass-through storage compartments on every Sydney model. Go ahead and bring it all with you!
2. Sydney 5th wheels come with a second 26" LCD TV in the living area.

Turning Made Easy

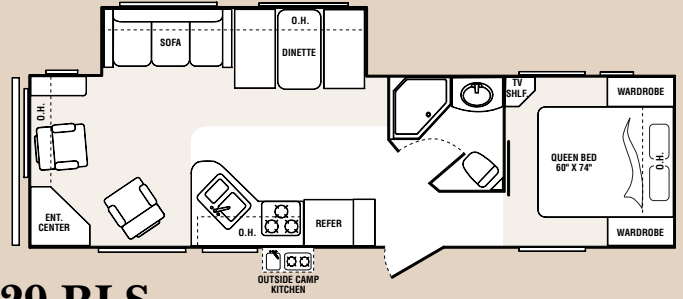

The most aerodynamic front fiberglass cap in the industry ensures your Sydney fifth wheels will tow like a dream and improve fuel efficiency. With the addition of the hitch mirror and lights, hooking up will be a breeze. Adding to the already sleek design are grooves molded into the cap to direct the airflow increasing safety and tow ability. Turning radius is drastically improved more than 30% making turning easier for today's short bed trucks.

It's What You Can't See that Counts the Most

2" X 3" Floor Joist with 5/8" thick floor decking makes Sydney's floor one of the strongest.

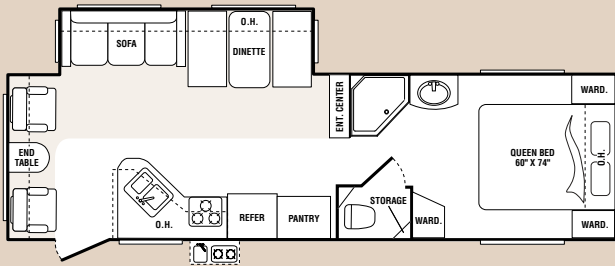

Sydney's heated underbelly encloses tanks and valves, helping to extend the camping season. On the road, the smooth underside greatly improves air flow for better towability.

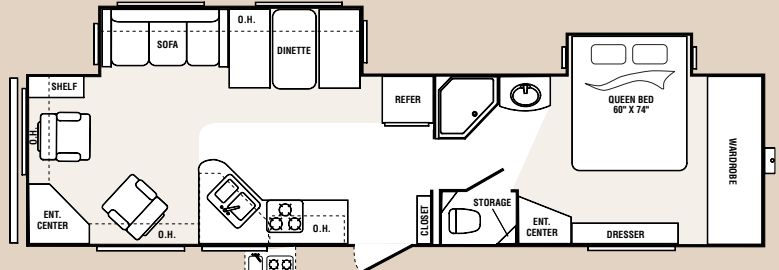

All Sydney's come with Keystone Kream Thermofoil wrapped cabinet doors. Easy to clean and very durable they provide a refreshing alternative to the traditional wood grain interior.
