### ABOUT LEISURE TRAVEL VANS
Leisure Travel Vans is the industry leader in quality and innovation, with an array of Class B Motorhome products. For over 30 years, our products have earned and maintained a reputation for being the most dependable and providing the highest level of quality and workmanship. We continue to incorporate the newest technologies and composite materials into our designs, setting our products apart in the marketplace.
The space and features of a Class A. The maneuverability of a van.

Enjoy the Freedom.

Superb interior refinement and irresistible charm have been combined with efficient use of interior space and a host of safety features to ensure that you will be ready to seek out your new journey, no matter where the destination. The Freedom II sets a new standard of construction and styling that surpasses all motorhomes on the market today. The fit, finish and quality that customers are accustomed to and HighGrade LTV as, have been the starting point for the Freedom II Serenity and Libero.

The Freedom II Serenity (above) and the Freedom II Libero (right) are quite similar throughout the interior of the coach. The same great design, appliances, fabrics and features complement the luxurious Freedom II line.

A recessed, glass lid stove and sink add charm and functionality to the gorgeous modern kitchen area.

Relax on the optional electric tri-fold sofa, or convert it to a large bed for a peaceful nights sleep.

Which Freedom II suits you?

The Freedom II Serenity is built on the Sprinter 3500 cab chassis with a fuel-efficient 3.0 litre V6 Mercedes Benz Diesel Engine. The Freedom II Libero, built on the Chevrolet Express 3500 cutaway chassis with a 6.0 litre V8 Vortec gas engine, is the big brother to the Serenity with an additional 8” of length and 3” of height and all the same great amenities and design.

The Serenity and Libero share the same overall floorplan. The rear of the coach has a separate bedroom area with a privacy curtain and a private bathroom with shower. The end wall galley beams over a fixed king-size 60”x80” bed with storage above. The front slide-out dining area features the Freedom II Serenity 2011 and Freedom II Libero 2011.

Choose your Freedom II: Serenity or Libero.
The space and features of a Class A. 
The maneuverability of a van.
