

Making Dreams Come True

Woodland Park

Woodland Park has enjoyed over 25 years of success as a manufacturer of high quality, custom-built park models, designed exclusively for destination camping.

Located in the heart of Indiana Amish country, Woodland Park combines old world craftsmanship and modern manufacturing facilities to produce superior park model homes. The Amish background of Woodland Park owners, Ernie and Edna Yoder, have greatly influenced the company's emphasis on quality, custom-built products that meet the needs of the customer.

Each Woodland Park model home series has its own unique character and is offered in a variety of floorplans for every location and style in mind. You're sure to find a model that will bring fun, relaxation and enjoyment to your whole family.

The inspiration for our Signature Series stems from the insight gained over our many years of building custom park trailers. Taking the best and most popular features, we've created a vacation cottage ideal for families who enjoy spending their leisure time together.

The loft in this home provides extra room for children to play or to simply use as spare storage room.

The Signature Series homes come with namebrand appliances, including a 30-inch gas range, 30-inch microwave, and an 18 cubic foot, 2-door refrigerator.

Since 1983

Founded in 1983 by Ernie & Edna Yoder, Woodland Park focuses on superior product fit and finish and sets the standard for park model trailers.

Woodland Park has grown from one 26,000 sq. ft. building with one product line to two buildings totaling 80,000 sq. ft. and four park model product lines. The company employs many men and women dedicated to craftsmanship and a quality product. Through the years, Woodland Park has expanded its dealer network to encompass all of the United States and Canada.
