Make yourself at home with a variety of Leatherette dinette, recliner and sofa options, as well as desirable standard amenities like Newport Cherry Glazed cabinet doors, hardwood fascias and valances, 32-inch LCD TVs (26-inch LCD

TV in 33SFS), dual satellite prep, plush carpeting, and nice optional touches like a DVD player, full linoleum flooring, Fulton Cherry Glazed cabinetry, and a central vacuum system for your convenience.

Cook up a masterpiece in a kitchen featuring high-end appliances, new style cabinet doors and drawers, solid surface countertops, stainless steel sink with covers, a decorative tile backsplash, and full-height wire roll-out pantry.

Enjoy Monarch's exquisite and comfortable dining area, where you'll appreciate the roominess of a hardwood-framed booth dinette, U-shaped booth dinette or a free-standing dinette with two chairs (pictured) and two folding chairs.

The comfortable cockpit boasts Leatherette copilot recliner seats with six-way power pilot seat, LCD 3-camera rear vision system and available GPS and Sirius Satellite Radio.

In Monarch's bathroom, you'll find gorgeous new style doors and drawers, an integrated stainless steel sink, decorative wall treatment and a roomy shower with glass door or versatile shower-tub combo with glass door, depending on the floorplan.

Luxurious décors and fabrics, along with a standard queen bed or optional king (36SFD), hardwood headboard, 19-inch LCD TV and optional DVD player make Monarch's bedroom the perfect place to retire at the end of an eventful day.

<sup>1</sup> Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. consult your owner's manual for further towing information.

<sup>2</sup> All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

<sup>3</sup> Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. consult your local Monaco dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of

components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing.
