

Think Big.

You've been around the country a few times. You know what to look for and where to look for it. And now you're ready to step up to the ultimate, the greatest degree of luxury, value, performance and driving comfort. Think big, think Ultrasport diesel pusher with the pure driving power of a 275hp Caterpillar Diesel engine. Mitresport

Model 3611 • Ashbury decor

Summer / Winter

Our exclusive Comfort Control Center[™] improves on most roof-mounted RV air conditioning units. Dual 13,500 BTU central air conditioning units, combined with the well-insulated walls and ceiling, is part of our smartly-engineered system which circulates air and regulates temperatures inside your Ultrasport

Motorhome. In winter, hot air is circulated up through floor ducts to keep you toasty warm; in summer, cold air is circulated down so you're always cool and comfortable.

All of our exclusive Designer Details add up to one big difference in quality and value.

Amerock[®] genuine solid brass door pulls add a touch of class to every door and drawer in Ultrasport.

Exquisite residential-type lighting adds a homey touch.

Solid oak ends on cabinetry are crafted for long-lasting beauty.

In the kitchen, solid surface counter tops (optional) with back-splash coordinate with the stove top. Plus, large doublebowl porcelain sink and even a faucet with a sprayer hose will pamper the resident chef.

Our fabric-lining will reduce rattling in the overhead storage cabinets.

Solid brass hand rail (optional) is classy, and makes entering your Ultrasport Motorhome a breeze.

Roomy and comfortable are the first words that come to mind. This model features a reclining barrel chair with foot rest and a sofa with a large storage compartment underneath. Matching dinette fabric adds to the beauty of the Ultrasport. Large color TV features convenient remote control. Note the large, vista windows all around, with standard day/night shades and the oversized Euro-style, tinted windshield which affords maximum visibility.

How to expand your domain.

With the simple touch of a button, our Super Slide-Out room will expand your already spacious Ultrasport A by over 26%. That's luxury at the push of a button.

Ultrasport's exclusive StepSaver™ kitchen is a model of efficiency, yet possesses loads of charm and class. Beautiful solid oak plank flooring, cathedral-cut, raised-panel oak cabinet doors and large double-door refrigerator with solid oak front are just a few of the standard features this luxury motorhome offers.

Model 3611 • Ashbury decor

Your Ultrasport Diesel pusher comes equipped with a standard hitch for convenient towing of a car or boat.

Model 3670 • Buckingham decor

The luxurious bedroom is perfect to snuggle up in at the end of a long day. The lovely decoratorinspired bedspread coordinates with lambrequins and pleated day/night shades. There's plenty of storage space in the solid oak door wardrobes and cabinets, plus even more cedar-lined storage under the bed. Note the beautiful diamond-cut, beveled mirror above the designer headboard. Model 3611 • Ashbury decor

O

Spacious

Home Sweet Home.

You know that the many comforts that make a house a home should also be found in the motorhome of your choice. And everywhere you look in the Ultrasport A you'll find built-in comfort, homey ambiance and that special feeling of being in your own "home, sweet home."

Cooking is a pleasure in this spacious StepSaver™ kitchen with features including oak panel refrigerator, carousel-style microwave convection oven and large 3-burner range. Double metal drawer guides, large double-bowl porcelain sink with single-lever sprayer faucet and beautiful solid-surface counter tops with mirrored backsplash are luxurious touches to make meal preparation an enjoyable experience. Ultrasport's cathedral-cut, raised-panel oak cabinet doors have tongue-and-groove joints and are carefully crafted to provide superior quality. The cabinets are screwed in, not stapled like the some competitors', for supreme strength and stability.

Model 3611 • Ashbury decor

At this point, the single-piece laminated wall stops. Everything below this point is hinged to maximize exterior storage. Storage doors are laminated fiberglass for strength and reliability. Plus they're designed for easy opening with convenient push button locks.

This charming bathroom is a model of efficiency and contemporary styling. Features include lavatory, hardwood-framed medicine cabinet and mirror, countertops, plus a tall, spacious shower with shower door and skylight.

A PLACE FOR EVERYTHING.

Model 3670 • Ashbury decor

Storage is everything when traveling, so we do everything we can to maximize it whenever possible.

Our SpaceSaver™ kitchen features an efficient oak pantry that slides out for your convenience.

Our exterior pass-through compartment

offers you a big 150 cubic feet of storage space. It's made of high density polyethylene rotocast materials which won't rust and can take the knocks. Standard gas piston hinges conveniently keep doors open for easy loading and unloading. There's even a drain for easy cleaning. Plus, the compartment is heated for your convenience in cold weather, and lighted so you can pack or unpack at night.

Val ue by Design.

The best-of-all-possible worlds, Ultrasport Diesel Pusher is the pride of the Damon line. There's much less road noise since the engine is in the rear, plus there's no engine cover in the cockpit area to trip over. The ride is smoother, the towing and steering are easier, and the storage is greater. And when you combine it all with the power and driveability of a diesel pusher, it just doesn't get any better. Dollar for dollar, mile for mile, you simply can't buy a better motorhome.

Ultrasport's unique OneFlush™ system really simplifies the job of emptying waste tanks. We also offer a sprayer hose for easy clean-up.

Our laminated, crowned roof is constructed with aluminum framework and lauan decking and combines with up to 3" of expanded polystyrene block foam insulation for increased energy efficiency.

This super-solid assembly is then covered with a one-piece seamless rubber roof specifically formulated for exposure to the sun and elements and comes with a 12-year warranty.

Manageort Radius entry door with white anodized frame provides luxury and extended use. Aluminum framing Fully-integrated front fiberprevents leakage and glass cap displays luxury increases strength. and style. Your tinted front windshield provides a barrier from solar heat as well as reduces glare for added safety. Pantographic, dual-arm wind-shield wipers offer greater visibility in adverse weather. Front-mounted, convex exterior mirror for superior visibility and the userfriendly remote control offers precision adjustments at your fingertips. Seamless, one-piece 1/2" floor decking reduces squeaks and road noise. No seams means a solid, level floor.

> Steel-constructed fire wall provides additional safety and strength to the front of your Ultrasport Class A motorhome.

The StartRight Quality Assurance[™] program is our strenuous 400-point inspection test. It's performed on every Ultrasport Diesel Pusher before it leaves the factory — so every Damon RV passes our test before it passes yours.

Value by Design

Pure driving (and riding) experience

Sheer driving excitement and a smooth, comfortable ride are two qualities you usually don't associate together. But you get plenty of both with the Ultrasport A diesel pusher. The excitement comes from the finest Caterpillar diesel engines, and the comfort comes from Damon's superior design, which assures a smoother, more comfortable ride than you ever thought possible in an RV.

Model 3611 • Ashbury decor

Stepping into the Ultrasport's cockpit is like slipping into ultimate luxury. The European-inspired cockpit wraps around you, and everything is designed for style and comfort. The dash is burled wood; instruments are all within easy reach; other features include automatic transmission, power steering and cruise control to lessen the burden of long-distance driving. Six-way power reclining captain chair is made of supple leather (optional) for softness and comfort. Chairs swivel to take advantage of extra cockpit space when camping.

Panoramic tinted front windshield allows for maximum visibility of the road ahead. Pantographic dual-arm windshield wipers and remote-controlled dual forward-mount side mirrors add more safety and convenience.

Ultrasport's full 228" wheelbase gives you a better, smoother ride and makes steering and towing much easier for the driver.

You can look directly behind your Ultrasport when backing up thanks to this handy monitor. It's placed conveniently so it can be viewed without losing sight of the rear view mirror.

Convenient dash fans come in handy when defrosting the windshield in cold or rainy weather. It also helps circulate the air to keep passengers cool in summer, warm in winter.
