

A NEW CENTURY. A NEW MILLENNIUM. AND A NEW STANDARD FOR VALUE IN DIESEL PUSHER **MOTORHOMES:**

ESCAPER 2 0 0 0

Leave it to Damon experience and ingenuity. With Escaper 2000, you get standard upscale amenities similar to or better than those found in motorhomes costing anywhere from \$60,000 to \$100,000 more.

- A 300 hp big-block diesel pusher Caterpillar® engine for optimal power and performance
- An optional Spartan Mountain Master chassis that includes a 330 hp diesel engine, a side-mounted radiator and an independent front suspension
- A dependable Allison® 6-speed transmission
- A Jacobs® exhaust brake
- Alcoa® aluminum-alloy wheels that look great and resist the corrosive effects of the elements
- · A raised-rail chassis that permits roomy underfloor storage
- · A space-adding slideout section
- A MasterworksTM audio system with four speakers, subwoofers and an inverter
- Plush, padded living room carpeting featuring a distinctive sculptured insert that's individually hand-carved and unique to each decor
- Damon's exclusive StepSaver™ kitchen, designed to speed and simplify meal preparation
- Durable, fashionable, easy-to-clean solid-surface countertops

E S C A P E R 2000

- An optional real-time Global Positioning System (GPS) that helps you plan your trip, then instantly shows you where you are and voice-prompts you on where to go; the system includes a 6-1/2" Panasonic liquid crystal color display monitor, changeable road-map CDs, a 10-disc CD changer, a radio with 10 presets and a built-in color backup monitor.
- A clean, uncluttered dash, with all instruments positioned for maximum readability
- Large windows for optimum visibility, ventilation and light
- A TV monitor system that increases rear visibility when you're backing up

- Soft, supple Ultra-leather™ cab seats
- An extra-wide "buddy" passenger seat in the cab
- Attractive, functional window treatments, including day/night shades in the living room and micro-mini blinds elsewhere
- Convenient front entry through a customdesigned door
- High-line diesel bus styling that turns heads wherever you go!

ESCAPER 2000

- A richly appointed designer bedroom that includes a queen-size bed with a soft pillowtop mattress
- A bathroom with an easily accessible angled shower and a skylight
- Washer/dryer prep
- Exceptionally refined luxury decor
- Warm wood cabinetry and trimwork
- · Abundant storage space inside and out
- Damon's exclusive Comfort Control Center[™] that keeps interior temperatures pleasant in any climate, year-round
- The peace of mind that comes from knowing your Escaper has passed Damon's strenuous 400-point StartRight Quality Assurance test required before it could leave the manufacturing facility
- The benefits of TQS, Damon's ongoing Total Quality Service improvement initiative, designed to meet your needs on and off the road, wherever your Escaper takes you

WARRANTY INFORMATION:

One-piece rubber roof - 12 years

Awning - 5 years

Water heater - 2 years

Range - 2 years

Refrigerator - 2 years

Gas sensor - 2 years

Everything else - 1 year

THE VALUE IS BUILT IN

ESCAPER 2000

Escaper 2000 is the product of advanced engineering, computer-aided design and innovative manufacturing technologies. You can see the difference that makes. No other diesel pusher in Escaper's class offers so impressive a combination of beauty, brawn and benefits.

- 1 An optional color-keyed side and door awning
- 2 Dependable Hadley® air horns for added safety
- 3 A huge, panoramic bus-style windshield
- 4 Pantographic, dual-arm windshield wipers that sweep away rain, sleet and snow with ease
- 5 Bus-style front mirrors
- 6 An optional diesel generator for added power and performance
- 7 Standard fog lights for increased touring safety
- 8 A custom-designed front door
- 9 An electrically operated single entrance step
- 10 Computerized wheel alignment to keep the ride smooth
- 11 A raised-rail chassis that allows ample underfloor storage
- 12 Custom paint and graphics that give Escaper 2000 its highline bus look
- 13 Attractive, white, anodized aluminum radius window frames with large sliding-glass windows that are tinted to keep out solar heat
- 14 Alcoa® aluminum-alloy wheels
- 15 An Allison® 6-speed transmission
- 16 Two ducted roof air conditioners: 13.5 BTU in front; 13.5 BTU in back to distribute cool air extra-efficiently
- 17 Standard ceiling vents to improve ventilation throughout the coach
- 18 A standard back-up camera
- 19 An aerodynamically styled rear end cap with an automotive gelcoat finish
- 20 An easy-access engine door leading to Escaper's 300 hp Caterpillar® diesel pusher engine with easily accessible fluids
- 21 Recessed taillights to complete the automotive look of the exterior
- 22 Damon's exclusive One Flush System™ that allows you to empty your water tanks from one convenient location
- 23 Heated, fully enclosed fresh and wastewater tanks
- 24 Damon's electric, gear-driven slideout system with smooth, simple push-button operation
- 25 A safe, center-mounted propane tank

Escaper's crowned roof assembly is exceptionally strong. It consists of an extruded aluminum frame, lauan decking and highly energy-efficient block-foam insulation.

The elegant Ice White™ exterior of the Escaper is made of durable, easy-to-maintain fiberglass in one piece. A high-gloss gelcoat finish heightens the appeal. For added strength and protection against leaks, all window openings feature aluminum perimeter framing. Expanded polystyrene blockfoam insulation — 1-1/2" in both the floor and sidewalls — increases the coach's energy efficiency.

Heavy-duty steel crossmembers with an I-shaped member welded to each end make up Escaper's foundation and provide maximum vertical strength. A neoprene gasket isolates the frame from the chassis, reducing the transmission of chassis vibration and noise to the coach. Inside, high-quality residential-style padded carpeting not only looks and feels luxurious, it also helps insulate you from temperature extremes and road noise. A hand-sculptured carpet insert, different with each decor color, lends distinction.

STORAGE FEATURES

Escaper 2000's raised-rail chassis design helps set a new standard in basement storage. The cargo space is huge! Not only can you take more of your favorite gear with you, it'll be well protected too. The storage area features strong, yet lightweight baggage doors. These doors are large and swing open wide, allowing you easy access to the interior. As an added convenience, the storage compartments are lighted.
