

GREET THE DAWN OF A
WHOLE NEW RV EXPERIENCE.

2001 DAYBREAK

You've been dying for a full-size, honest-to-goodness motorhome. But the prices? Yikes! Unless you go for "entry level." And then, what do you get? Some stripped-down, "bare necessities only" RV? That's the norm. But Damon breaks it ... with DayBreak™.

Here you have a richly appointed, full-size, wide-body motorhome that sells for a mini motorhome's price. No kidding! Damon can do it, because it has the experience and know-how to keep manufacturing costs low. And that lets them pass the savings on to you — with no sacrifices in style or comfort.

Yes, the 2001 DayBreak is an entry-level motorhome. But you can't tell by looking at it. It's stunning. And its range of amenities goes well beyond what other, similarly priced motorhomes offer. Why keep ondreaming about the ideal RV? Wake up to the pleasure of DayBreak.

- Exterior storage is easy to get at — much more so than with similarly priced Class C motorhomes.
- Ceiling-ducted air conditioning does a better job of cooling the coach and is up, out of the way of cabinets. Wall-mounted thermostatic control is optional.
- DayBreak's light weight and superb road handling are largely the result of its aluminum framing.
- For a more rigid and durable coach, DayBreak has 2" floor construction and thick sidewalls with 1½" polystyrene block-foam insulation.
- Fully enclosed and heated holding tanks enable camping year-round or in cooler climates.
- For added convenience, consider equipping your DayBreak with an optional driver's side door.
- The optional electric entrance step is easy to get out of the way when not in use.

A MOVEABLE FEAST

2001 DAYBREAK

- For your entertainment, DayBreak offers an AM/FM/cassette/CD player and, standard in the front overhead, a 19" color TV with full-function remote, an antenna booster and a jack.
- DayBreak's unique StepSaver™ kitchen puts everything well within reach to make meal preparation quick and easy.
- Cabinet doors are made of solid wood for added durability and a richer look.
- Hardwood plank flooring lends beauty and functionality to the kitchen area.
- DayBreak provides an incredible amount of storage space — inside and out.

A SOFT REPOSE

2001 DAYBREAK

- The master bedroom is a marvel of comfort with its queen-size bed, designer bedspread with a matching headboard and matching window treatments, and abundant cabinets (including a convenient nightstand shelf that slides out of the way when not needed).

- You'll take comfort in knowing your 2001 DayBreak has passed a strenuous 400-point inspection test as part of Damon's StartRight Quality Assurance™ program.
- DayBreak also gives you the benefits of Damon's exclusive Total Quality Service™ (TQS) initiative. Ask your dealer for details.
