

THIS IS LUXURY TOO
AFFORDABLE TO RESIST.

2001 INTRUDER

Face it. You're ready to step up. You've been RVing for quite some time now, and you've got definite ideas about what makes a good RV. But if you think a hefty price tag is one requirement, Damon® says think again. A 2001 Intruder™ Motorhome lets you step up without losing the balance of your budget.

What you'll notice first is Intruder's styling. It's refreshingly clean and contemporary with home-like touches that invite you to settle in. Look closer, and you'll find an array of truly upscale amenities — the kind more often found on the priciest motorhomes. Yet Intruder offers them for thousands of dollars less. You can thank Damon's cost-efficient manufacturing for that. And you can step up to an Intruder today.

- A 20,500-pound Ford® V-10 chassis makes Intruder especially roadworthy. Its stability and handling are exceptional.
- Intruder's exterior has a smooth, sleek, highline appearance, thanks to its high-gloss gelcoated walls.
- Aluminum framing all around lends strength and necessary rigidity to the coach while keeping the weight down.
- Big bus-style sideview mirrors offer an extra measure of safety and convenience.
- Intruder also gives you the benefits of Damon's exclusive Total Quality Service™ (TQS) initiative. Ask your dealer for details.

- A unique StepSaver™ kitchen puts everything well within reach to make meal preparation quick and easy.
- Thanks to its solid surface, the kitchen countertop is especially easy to clean.
- Hardwood plank flooring lends beauty and functionality to the kitchen area.
- Intruder provides an incredible amount of storage space — including pass-through basement storage compartments.
- Among Intruder's finest options are a back-up monitor, a driver's door with a power window, a six-way power driver's seat, and a 7.0 Onan® Marquis Gold Generator.

A SOFT REPOSE

2001 INTRUDER

- If you've wished RV bedrooms could be a bit bigger (for easier dressing), you'll love Intruder's bedroom slideout. It really opens up the living space.
- For your entertainment, Intruder has a VCR and control center with two 19" TVs.

- You'll take comfort in knowing your 2001 Intruder has passed a strenuous 400-point inspection test as part of Damon's StartRight Quality Assurance™ program.
