## *Relax in luxury.*

When it's time for that well-deserved vacation or just a weekend away, the luxury and comfort of the all-new Adirondack will help you relax in style.

The Adirondack's sleek, aerodynamic styling comes from a fully-laminated, welded aluminum super-structure that gives it long-lasting strength and durability.

Charming interior décor inspired by European designs make the Adirondack the best value when it comes to lightweight travel trailers.

The enclosed underbelly enhances the aerodynamics on the Adirondack and protects the fresh water and holding tanks and floor from the hazards of the road.

Preparing something to eat will be a treat for the family chef in your spacious kitchen. Adirondack features stainless steel appliances.

On the cover: 27BH with optional Pac-n-Play and 27RL fifth wheel
