# ADIRONDACK

2005 LITE-WEIGHT TRAVEL TRAILERS & FIFTH WHEELS

**28RK-M5**

When it's time for that well deserved vacation, the luxury and comfort of Adirondack will help you relax in style. Adirondack's charming interior décor is inspired by premium European designs. Featuring raised panel Harmony white cabinets, microfiber fabrics and residential style furnishings, Adirondack is sure to impress the most discriminating buyer.

*Adirondack's large tinted bay windows offer picturesque views of the great outdoors.*

You will find plenty of pleasing touches in every Adirondack model. Large living areas, spacious kitchens with generous storage, and sizeable bedroom and bathrooms make Adirondack your best value when it comes to lite-weight travel trailers and fifth wheels.

*Relax in comfort when you stretch out on the premium sofa bed. The microfiber sofa includes attached arm pillows.*

# DÉCOR CHOICES

Adirondack features large bathrooms with a standard skylight and window. Select floorplans feature a neo-angle shower with glass door.

31BK-DSL shown in Jostile Blue.

**Main Fabric –**  
Taupe Skylar  
Microfiber: sofa,  
bedspread and  
dinette  
seat.

Eating in has never been so enjoyable when you dine in Adirondack's oversized arched dinette. Five-inch thick vinyl-backed cushions are covered with premium Skylar fabrics.

It's the little touches like cathedral arched harmony cabinets and premium designer lights that make Adirondack your best value.

You'll find plenty of storage space in the two large storage drawers under the bed. They slide out easily so everything's accessible. (Travel Trailers)

**Accent Fabrics –**  
Dinette and valances,  
headboard, and  
pillows.

28RK-M5 Kitchen

Preparing something to eat will be a treat for the family chef. Adirondack features spacious kitchens with lots of countertop and storage space. Stainless steel appliances are standard.

All models feature Taupe Frieze carpet. See floorplans for details.

**Vehicle loading** – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. **Warning** – This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

\*Axle weight, UVW and Dry Hitch Weight are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit.

### ADIRONDACK'S EXTREME OUTDOORS OFF ROAD PACKAGE

For those who need extra ground clearance for off road campsites:

8" Body lift kit ■ Extended jack and stabilizers

■ Double entry step ■ Dunlop Rover LT235/75R15

mud and snow tires (Also available with standard ST205/75D14 tires.)

# ADIRONDACK

## LITE-WEIGHT CONSTRUCTION

### CHASSIS

1. Folding entry step – low step height for easy entry
2. Ultra-lube hubs. Grease Zerk makes wheel bearings easy to lube. Extends life of bearings
3. Al-Ko torsion “independent suspension” and axles – the smoothest ride in the industry. (SL and non-slide models)
4. All tanks mounted in frame. Lowers the center of gravity, and saves valuable interior storage space
5. 46 gallon fresh water tank with Quick Drain feature. Tank design prevents water from standing in tanks during storage. The largest fresh water tank in the industry!
6. Standard enclosed underbelly protects tanks and floor from the hazards of the road
7. Norco ultra light weight chassis with lifetime powder coat over E-coat paint finish (non-slide and SL models). DSL travel trailers and fifth wheels feature traditional steel frames with E-coat paint finish
8. Twin 30 lb. LP tanks with optional ABS cover (most models). SL slide and non-slide models feature the “Pair-n-a-spare” triple LP bottle system
9. 12,000 lb. safety chains

### WALLS

**5-ply construction. Fully laminated, aluminum framed construction.**

10. Tubular aluminum welded frame – reinforced around door
11. Dark tinted radius corner windows
12. Insulated baggage doors with key locks and finger pulls
13. ABS fender skirts
14. Decorative wall board
15. Lauan wood backer
16. High density structural foam insulation
17. Lauan plywood backer
18. Smooth Filon fiberglass with premium graphics package
19. Pass-through storage compartment (where available)
20. Aerodynamic front profile

### ROOF

**5-ply construction. Fully laminated, aluminum framed construction.**

21. Tubular aluminum framed roof reinforced at A/C
22. Lauan wood backer
23. One-piece EPDM rubber roof with 12 year manufacturer’s material warranty
24. High density structural foam insulation
25. Lauan wood backer
26. Decorative ceiling board

### FLOOR

**5-ply construction. Fully laminated, aluminum framed floor structure.**

27. One-piece composite wheel wells (non-slide and SL models)
28. Residential vinyl flooring – full length of coach
29. Residential carpet with pad (most models)
30. Two layers of floor decking over aluminum frame and foam
31. High density structural foam
32. Plywood base with polypropylene waterproof vapor barrier
33. Tubular aluminum framed floor, reinforced at tanks

The standard enclosed underbelly enhances the aerodynamics on Adirondack and protects the fresh water, holding tanks and floor from the hazards of the road.

The carpet is removable! Take it out for cleaning or store it away on those wet and muddy days. (optional)

5-spoke aluminum rims are standard on Adirondack!

# Two Year Structural and Appliance Warranty One Year Bumper to Hitch Warranty

This hidden lock box keeps your valuables safe and out of sight. (Adirondack Package)

Adirondack's dinette seat, bunk beds, queen beds and pass-through storage compartments are aluminum framed. They are lighter and more durable than the competitors' wood frame structures.

Adirondack's exterior shower features hot and cold water, a quick connect coil hose and a sprayer. (optional)

Audiovox two-way radios include 4 five mile range radios and a 12V charger base station. (optional)

All fresh water tanks are mounted in the frame, which lowers the center of gravity and saves valuable interior storage space. The 46 gallon fresh water tank features a quick drain design that prevents water from standing in the tanks during storage. This is the largest fresh water tank in the industry!

Centered under the awning, this 8" security light brightens your camp site at night.

Oversized, pass-through storage compartment is carpeted and includes a convenience light. (most models)

With three residential-sized LP gas bottles, you've got a pair and a spare! You can use the third bottle as a spare, for your grill, or other LP camping equipment. (SL and non-slide models)

Take your cooking outside with Adirondack's exterior barbecue grill. (optional)
