

Four Winds

2006 Travel Trailers & Fifth Wheels

Where Will the Four Winds Take You?

Four Winds

From one ocean to another, America's abundant natural resources offer travelers a world of wonders. Explore our land from the Louisiana bayou to Arizona's desert. Pass through the mountains of New Hampshire and beyond to the Utah plains and Colorado's canyons.

Customers looking for innovative products that are loaded with standard equipment and unique features choose Four Winds. Our products offer more value for your dollar than any other recreational vehicle. Plus, Four Winds' attention to detail in design and construction is why our customer's return when it is time for their next recreational vehicle. Take a closer look. We know you'll agree that Four Winds is your best vacation value.

Where will the four winds take you?

 - 6 gallon quick recovery gas/DSI water heater with bypass kit
 - Skylight over tub
 - TV antenna with power booster and cable jack
 - 3 Burner range with oven (auto ignition)

Four Winds Express Lite

Non-Slide and Small Slide Travel Trailers

Aerodynamic and easy to tow, Four Winds Express Lite features non-slide and small slide floorplans ranging from 18' to 31'. Base weights start at 4,200 pounds! Unlike the competitions stripped-down models, Four Winds Express Lite is loaded with all the standard features and equipment you will find in the rest of the Four Winds product line. With many great floorplans available in a variety of sizes to meet your family's needs, Four Winds Express Lite is your best choice for affordable light-weight and easy to tow travel trailers.

Premium Living Areas

Four Winds Express Lite's interior design is a step above the rest. Arched solid wood cabinet doors, decorator interiors with mini-blinds, wall border and premium fabrics are standard features. The spacious galley features a larger double door refrigerator, a double bowl sink with high-rise faucet and lots large storage cabinets and drawers.

Comfortable Sleeping Areas

Four Winds Express Lite floorplans offer several bedroom configurations to meet the needs of any family. Most bedroom plans feature overhead cabinets, shirt closets and night stands.

Plus, Four Winds Express Lite offers a large "Storage Plus" exterior storage compartment. Located under the bed of most models, the full width pass-through storage area allows you to store those large items that you want to take on your next vacation.

MORE STANDARD FEATURES ON ALL FOUR WINDS TRAILERS!

An Aqua Magic toilet with foot flush is standard in all Four Winds bath's.

A 14" x 14" skylight roof vent with 12V fan is standard in all Four Winds bathrooms.

Four Winds features "RV 800" residential steel roller drawer glides, designed for years of reliable use.

Our composite sink is larger and deeper than most and includes a high-rise designer faucet.

Four Winds

Large Slide Travel Trailers

Four Winds large slide travel trailers are your best choice for features, value and luxury.

Built with pride, Four Winds travel trailers are loaded with features and amenities that make your time on the road as enjoyable as your time at home. All Four Winds large slide travel trailers feature large, flush floor slide rooms and are available in floorplans ranging from 24' to 38' feet.

Luxurious Living Areas

What makes Four Winds your best RV value?

Premium features like large picture windows, overhead cabinets in the slide out room, a large entertainment center with a 5-in-1 surround sound stereo system.

Plus, the interior height of Four Winds DSL living area slide room is a full 6'!

NEW - 82" INTERIOR HEIGHT

Four Winds 82" Interior Height

The Competition

Four Winds Large Slide Travel Trailers (DSL models) now feature an impressive 82" interior height! The added four inches of headroom makes Four Winds models one of the most spacious units in the industry.

Compare to our competition and you'll find that we stand tall.

More headroom, increased storage and more living space - A Four Winds Advantage!

Spacious Kitchens

Large kitchens with an abundance of countertop and storage space are found on all Four Winds floorplans. Countertop extensions are standard on most models.

Plus a large double door refrigerator, large kitchen window, double bowl sink and high-rise galley faucet are just some of the standard features you get with Four Winds.

COMFORTABLE SLEEPING AREAS

The sleeping spaces in your next travel trailer or fifth wheel are as important as the living area. That's why Four Winds offers multiple bedroom configurations with comfortable appointments and plenty of storage space for those extended vacations away from home. Whether you are looking for a bunk house, king bedroom slide suite or queen bed, Four Winds has the floorplan that's right for you.

*Look for our King Bed Slide Suite on several Four Winds floorplans!

Have you seen our popular 30S - DSL floorplan? The oversized bunks slide out to create a separate living room with a desk and bar stools for your guests. The bottom bunk is available with the "Sit-N-Play" lower bunk that converts to a sofa during the day.

Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. **Dry weight** is the weight of the unit with standard run features. Some optional equipment not included. **Net carrying capacity (NCC)** is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.
