Elevating the motorhome experience.
Since its introduction in 2005, the stylish Tuscany diesel pusher has been Damon’s masterwork — one of the most luxurious motorhomes on the market today.

For 2006, we proudly announce that Tuscany is even better. Just about everything inside and outside has been improved, with more amenities, more standard features, more horsepower and fewer options (because most of them are now standard). More than ever, Tuscany is loaded with comfortable surroundings, amenity-rich luxury and an incredibly long list of valuable standard features, including high ceilings, more storage and accessories.

But one thing isn’t new for 2006. Tuscany’s price tag remains low in relation to the high-end motorhomes with which it compares. Some things never change.

Elevating the motorhome experience.
Flexsteel® driver/passenger seat.
You’ll never have to leave luxury behind.

Tuscany offers a completely new front-end cap, including newly designed hood, headlights, clearance lights and an enormous windshield that dramatically increases your field of vision.

The dash has been revamped as well, now including a three gauge IP panel, ABS dash pod, a 7-inch back up monitor for safety’s sake and gooseneck map lights. Plus the dash area is now padded for extra safety.

Window size increases for 2006 — larger cockpit windows for driver and passengers, plus larger windows in the living room slide-out.

Quality is always in the details, and in the Tuscany it includes elegant decorative feet below the kitchen cabinets, wood arches on the wardrobe and in the hallways, stylish glass inserted on the front overhead and decorative slide-out fascia trim.

There are many more upscale attributes. Take a look at the new electronic control panel above Tuscany’s entry door and the rugged steel reinforcement in the front overhead. And check out the new automatic hydraulic leveling jacks and the new Flexsteel® driver and passenger seats with adjustable arms.

Fresh for ’06.

Tuscany model 4074, Peppermill Court décor, Cherry wood.
Paint
Gorgeous full-body exterior paint packages will give your Tuscany a distinctively upscale look that few motorhomes can match.

Décor
Damon’s interior designers and engineers have created a choice of exciting environments that not only help you feel right at home, but also lend a sense of your personality to the Tuscany.

Floor Plans
Whichever Tuscany floor plan you choose, you can be sure it’s been thoughtfully created to provide the roomiest, most comfortable, most convenient travel living experience you’ve ever had.

Value by Design. It’s our driving force.
If it seems like most of our motorhomes are loaded with features, you’re right. It’s part of our “Value by Design” way of doing business. You see, we become more efficient when we offer more of your favorite amenities standard. Construction is more streamlined. And you get more motorhome. For less. This is just one of the ways we design more value into every motorhome we manufacture.

In addition, unlike many of our competitors who produce motorhomes, towables and other products, the sole focus of our business is Class A motorhomes. We believe this simplifies our manufacturing process and helps us focus on doing a single job exceptionally well. Doing that job well also means using only high-quality materials, components and state-of-the-art construction techniques. All told, it’s what we call, “Value by Design.”

Value by Design. It’s more than a slogan; it’s our way of delivering more motorhome for your money.
Stylish surroundings.

Peruse the fabrics, paint colors, wood styles and other options. This is where you’ll really see just how much value we build into Tuscany. And the choices are as endless as the highways you drive.

Damon Construction
Some people call this overbuilt, we call it peace of mind.

CHASSIS
Quality construction starts with the chassis. And Tuscany uses only the finest: a powerful, 350-hp Caterpillar® engine and a rugged, raised-rail Freightliner® chassis.
**Tuscany standard specifications and features**

### Bathroom
- Full-height fiberglass shower / door
- Skylight in shower
- Obscure glass window in private stall area (N/A: 4077)
- Power vent
- Foot-flush porcelain toilet with sprayer
- Wallpaper border
- Ceramic tile flooring

### Cockpit
- Under-hood light
- Layer of neoprene vibration damper
- Dual fuel tanks
- Aluminum wheels (set of four)

**Fuel capacity (approx. gal.):**
- 100

**Interior Drawer capacity (cu. ft.):**
- 10

### Bed
drawers
- 15

### Exterior storage capacity (cu. ft.):**
- 195

### Sleeping capacity

### Features
- Aisle lights
- Living room pin-up lights
- Fluorescent lighting
- Soft-touch padded vinyl ceiling
- Soft-touch padded vinyl flooring
- Day/night shades
- Full-body paint package with color-coordinate slidescreen awnings
- Color-coordinated electric patio awning with remote control and wind sensor
- Fog lights
- Wide-bore design
- Radius-corner domed one-piece TPO roof
- Under-hood light
- Layer of neoprene vibration damper
- Dual fuel tanks
- Aluminum wheels (set of four)

### Utilities
- Air conditioner: 13,500-BTU ducted central (front)
- Air conditioner: 13,500-3TU ducted central (rear)
- Furnace: 35,000-BTU electronic ignition – floor ducted
- Water heater: 10-gallon gas/electric with electric ignition
- Water heater bypass kit
- Generator: 7.5 kW Generac® Quietpact
- Inverter: 2000-watt
- Four 6-volt Thermo® auxiliary batteries
- Battery disconnect
- 50-amp, 120-volt service with marine-type detachable power cord
- Exterior GFCI receptacle inside compartment
- Enclosed heated potable and holding tanks
- Black water tank flush
- Three-way valve for tank/city water fill
- Washer/dryer prep
- Telephone hookup
- Cable TV/satellite hookup
- DSS manual satellite dish
- Exterior shower
- Carbon monoxide, LP gas and smoke detectors
- Monitor panel with LP gas readout

### Popular Options
- AM/FM/CD player in bedroom
- Multi-disc CD changer
- Chrome-plated front-mounted power mirrors with heat
- Ultra-leather oversized passenger seat with 6-way power and electric foot rest
- Electric step cover
- Color-coordinated window awnings
- Easy-slide storage tray in basement
- Exterior entertainment center with 20” TV
- 3-burner range and oven
- IPO cockpit
- Buffet with additional storage and four chairs (two fixed and two folding)
- Fantastic® power vent with rain sensor
- Two Euro recliners IPO sofa bed (passenger’s side) (4075 only)
- Two Euro recliners with coffee table and lamp
- IPO sofa bed (driver’s side) (4077 only)
- Hide-a-bed (driver’s side)
- Day/night shades
- 100% continuous-film nylon carpeting
- 24” color TV in cockpit overhead with full-function remote, antenna booster and jack (N/A: 4077)
- Hide-a-bed (driver’s side)
- Color-coordinated window awnings
- Easy-slide storage tray in basement
- Exterior entertainment center with 20” TV
- 3-burner range and oven
- IPO cockpit
- Buffet with additional storage and four chairs (two fixed and two folding)
- Fantastic® power vent with rain sensor
- Two Euro recliners IPO sofa bed (passenger’s side) (4075 only)
- Two Euro recliners with lounge table IPO sofa bed (passenger’s side) (3976 only)
- Hide-a-bed (driver’s side)
- Water heater: Motorized® 10-gallon gas/electric with electric ignition (N/A: 3976 & 4074)
- Dual heat pumps with 15,000 BTU A/C and 12,700 BTU heat
- 5-wall chassis solar battery charger
- Generator: 7.5 kW Onan® diesel
- Energy management system
- Washer/dryer combo
- DSS automatic-tracking satellite dish
- Motorized® auxiliary rear heater

### Central vacuum system
