

THE 2008 SURGE™ & IMPACT™ ★ FEEL IT

THE 2008 SURGE™ & IMPACT™ ★ FEEL IT

ADRENALINE

YOU CAN'T WAIT FOR ANOTHER WEEKEND OF OUTDOOR FUN. ENGINES RUMBLING AND WIND RUSHING BY AS YOU GO PEDAL TO THE METAL.

But when the engines are silent, you wanna relax in a toy hauler that doesn't scrimp on comfort — or great looks! Welcome to Surge from Adrenaline.

We built and equipped Surge with everything needed to fit your lifestyle. Practical stuff like a large fresh water system, an innovative queen walk-around bed model, coil spring hinged ramp door and an available gas generator and fuel station.

Of course, we added extras to give you more fun and help you stand out. Features like a rocking stereo system and aggressive exterior graphics with a diamond plate stoneguard.

When you're not racin,' kick back in the comfy living area, with its fold-up, rollover sofa; handy contoured pedestal dinette tables and window blinds for privacy. The Brazilian Cherry cabinets have lots of storage space for all your gear.

Razor Edge graphics package

Time to catch some Z's? There's room for the whole crew with the electric trac queen bed and double electric trac sofa/queen bed (select models).

Tribal Fire graphics package

Sleek lines, racing graphics and metal-sided sidewalls (fiberglass optional) give Surge its bad boy appearance. Yet, its ducted air conditioning, patio awning, EZ Lube wide-track axles and four retractable stabilizer jacks add comfort and convenience.

Because we stand behind our products with our no hassle warranty, you can play as hard as you like in your Surge knowing you're protected. If you are Ready to Rumble, so is Surge.

Yes, you're taking along some serious street or off-road machines. But come late night/early morning, you want a civilized place to sack out. Yes, it's your time-out with the boys. But what if the rest of the family is along? We thought of all this — and more — when designing Surge. And loaded it up with stuff to keep everyone comfortable.

The Surge has a number of high quality fabric and cabinetry options that are designed to fit your style and can handle being a part of the action. We know this isn't Grandma's living room, it shouldn't look or feel like it.

Carbon Fiber (Thermofoil)

Brazilian Cherry (Hardwood)

Your turn to cook? It's all there: Three-burner high output range with oven, microwave, double door refrigerator, stainless steel sink and more. A stainless steel portable gas grill is optional.

It's one thing to have a great-looking toy hauler. It's quite another to own one that's sturdy enough for your toys plus the demands of the road. Surge and Impact have all you need to own every road. With impressive carrying capacities, I-beam construction, tandem or triple axles and radial tires, you can load up and head out with confidence.

How do you keep your ATVs, snowmobiles or bikes fueled up and clean in the middle of nowhere? Get your hauler equipped with a gas generator and fuel station. Plus, the spray away outside shower with its 15' coil hose helps get rid of mud and grime.

To make sure your toys are loaded easily and safely, we equipped Surge and Impact with heavy-duty, Grip Star no-slip ramps and cable-free ramp doors.

With the beds retracted, the floor opens up for your toys and all your gear. The fuel-resistant linoleum flooring provides added protection.

SURGE & IMPACT FEATURES

FOR YOU, WEEKENDS MEAN TAKING COMMAND OF THE FASTEST MACHINES. PULLING THE MOST G'S ON SHARP TURNS AND SHOWING OFF SOME SERIOUS ATTITUDE.

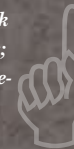

It's all about looking and being the best. Which is exactly why we created Impact.

Our biggest, best equipped toy hauler, the Impact fifth wheel sports a bold exterior that makes you look like a pro. So you're sure to get noticed.

Step inside, and you'll find an array of features built in to deliver superior comfort and convenience. Like a large slide-out room and plush furniture package that's smartly designed to give you the most space for all your needs. Flat screen TVs and great indoor/outdoor sound systems will keep everyone entertained.

Wanna stir something up? Check out the double door refrigerator; residential microwave and three-burner, 21" range with oven. For cleanup, there's a double sink and high spout faucet. A stainless steel portable gas grill is optional.

Greatly expanded by a large slide-out, the living area has an optional residential-style, free-standing dinette with four chairs plus a handsome hide-a-bed sofa. You know you'll stand out and still feel at home in this space!

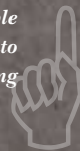

Talk about style! The front bedroom features a walk-around queen bed, lots of storage space and a large mirror that will make you and any guest feel comfortable.

Keep up with all the scores, plays and movies. Impact comes with an AM/FM/CD/DVD system with surround sound plus an available 32" LCD TV in the living area, a 20" LCD TV in the front bedroom and two marine-grade exterior speakers.

When your toys move out, double electric trac queen beds move into place, providing lots of sleeping space for the whole crew.

We also included numerous features to make your lifestyle easier. Just for starters, there is a large fresh water system, great storage capabilities and an insulated, heated underbelly to keep the unit just the right temperature no matter where you ride. And because we stand behind our products with our exclusive no hassle warranty, you can play as hard as you like in your Impact knowing you're protected.

The name says it all! Just pull up your toy hauler within view of your buddies, and watch the Impact. With its laminated fiberglass sidewalls (high gloss optional), racing graphics, aluminum wheels and cool lines, Impact is sure to turn heads.
