RAPID RESPONSE PROGRAM

Due to constant product improvements, the specifications, component parts and standard/optional equipment are subject to change without notice or obligation. Product photography or diagrams may show equipment that is optional. Damon Motor Coach reserves the right to make changes in prices and models and to discontinue models without notice or obligation. Components, parts or chassis may have been manufactured at times other than the model year indicated. All capacities are approximate and dimensions are nominal. All dry weights are based on standard model features and do not include optional features or equipment. Various RV components and features may differ to conform to local codes. Due to EPA environmental restrictions, engine power and torque ratings may change mid-year. Some weights have been estimated and could vary.
