## COMMITMENT TO QUALITY

It only stands to reason that the best brand in the business should be backed by the market's best warranty program. Built from the highest quality materials and components, by some of Maine, South Dakota, and Montana's most talented craftsmen, we stand tall behind every product we manufacture. Think of our "Limited Lifetime Warranty" as an invitation for you to share in that confidence. Now offered on all enclosed cargo trailer models in our lineup, we want you to tow your CargoPro trailer with a sense of reliability, and pride, from the first time you leave the lot.

## STANDARD COLOR OPTIONS

## POPULAR TWO-TONE PACKAGES

The colors displayed in this catalog are intended for reference purposes only. In situations where color-matching is critical, please contact an authorized CargoPro Trailers representative for a physical skin sample. All colors listed above are available in .030" skin only. .040" and .050" skin upgrades are available in a limited color selection and may require extended lead times.

## DISCLAIMER

Information provided in this catalog was current at the time of print. Due to the availability of components, raw materials and improvement evaluations, ALCOM LLC reserves the right to change specifications and construction methods without obligation of notice. In addition, photography and/or illustrations may display optional items available at additional cost to the trailer base price. Please contact an authorized CargoPro Trailers dealer for additional information.
