

Mirada™ 298FP

Easy Living Features.

Mirada's large exterior storage compartments allow you to take everything you need for fun and relaxation. There is 164 cubic feet of exterior storage.

Peace of mind starts on the road with our one-piece windshield and Site Rite™ dash. These give you a better view of the road at all times.

The sleek master bedroom features an angled, walk-around bed with rich wood headboard and paneled rear wall.

 Spacious interiors, residential amenities and easy to use features are hallmarks of the Mirada. The two adjustable tables (one table shown) offer multiple arrangements including wall-to-wall sleeping. There's also plenty of seating with both a sofa and L-shaped sofa/dinette.

Decor Choices

A. Main B. Accent

Decor selections are subject to change throughout the year. Please visit your Coachmen dealer or www.easyRVing.com for current decor availability.

NEWPORT MOCHA

BIRKDALE TAUPE

SAFFRON GEO

BRAZILIAN CHERRY

Mirada™

The cockpit is designed for easy driving. Both captain's chairs recline for comfort, and you'll love the convenience of the tilt steering and cruise control. Most importantly the angled Sight Rite™ dash, one-piece windshield, and optional LCD backup camera give you the visibility to feel in control on the road.

* estimated ** includes roof A/C

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice.

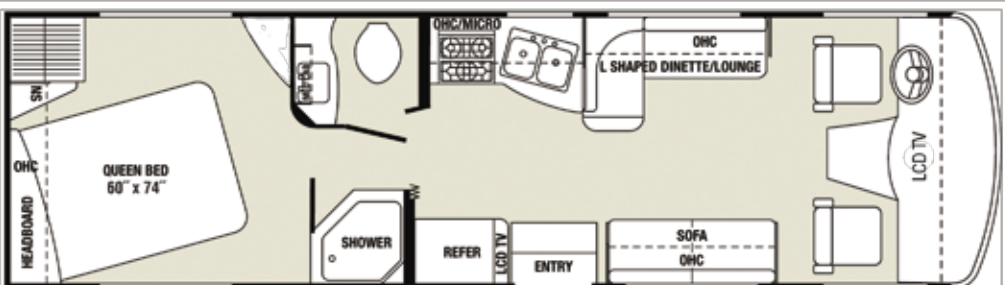

GVWR (Gross Vehicle Weight Rating): The Maximum permissible weight of the unit with fluids, cargo, optional equipment and accessories. Base Weight: The weight without options, plus allowance for the weight of full fuel capacity. GCWR (Gross Combined Weight Rating): The total weight of the loaded unit, plus a tow vehicle. Wider Widths: Numerous Coachmen floorplans feature the "wide body" design for enhanced living space. Be aware that a few states restrict vehicle width to 96" maximum.

Important Note: All capacities are approximate, and all dimensions are nominal. The customer is responsible for assuring the proper combination of passengers, cargo, load, and tow vehicle so as not to exceed the chassis GVWR. Seat belt should always be worn for safety. It is not intended that all seating positions equipped with a seat belt may be occupied during travel without regard to other weight factors.
