# FLEETWOOD® RV

Why would you buy anything else?

For every road you travel, Fleetwood has the RV to fit your high standards and lifestyle. We build the recreational vehicles America wants, accounting for nearly one out of every three RVs on the road today. How do we do it? We call it the **Fleetwood Equation**.

## Size + Service + Quality = Value!

### Size *The world's #1 RV manufacturer*

For over a half-century, Fleetwood has grown to become the largest manufacturer of recreational vehicles in the world. And stands today as the only RV manufacturer in the **Fortune 500**. You won't find our nearest competitor in even the top 1,000. Fleetwood remains, year after year, the largest, most influential, innovative and recognized leader in the RV industry.

### Service *Listening to our customers*

With over 1,100 service dealers in the US and Canada, Fleetwood has the largest network in the RV industry. No other RV company comes close in equaling this vital customer support system. Fleetwood RV service dealers have instant, real-time electronic access to your service records as well as parts inventory and warranty repair authorization inquiries. We also provide a 24-hour customer call center for service and product information so no matter where you travel in North America, professional support and fast answers are always nearby. Call toll-free 24 hours a day: 1-800-322-8216.

### Quality *Using only the best materials*

At Fleetwood, quality begins with computer-aided design (CAD) technology to build quality into every travel trailer right from the start. Full-functioning prototypes are built and subjected to accelerated life cycle tests. Once approved for production, each unit is built by skilled technicians using quality materials and components from companies like Coleman®, Dometic®, Flexsteel®, Magic Chef® and Panasonic®. All this assures that every Fleetwood RV has the fit, finish and details required by our high standards—as well as yours.

### Value *Priced right with style*

At Fleetwood RV, we look at value as the sum of everything we offer.

- **Value** is our design and engineering expertise, and innovative manufacturing methods.
- **Value** is structures and components that meet or exceed government and industry safety standards.
- **Value** is Ownercare—a two-year full warranty that includes systems, appliances, components, and construction, no deductible and no service charge, and is fully transferable for the first 24 months. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

– **Value** is customer satisfaction. When asked, more experienced RV owners would recommend a Fleetwood to a friend than any other brand. Fleetwood RVs consistently hold their value better than most RVs at trade-in time.

**Value is peace of mind.**

**SSQV**—Size, Service, Quality, and Value. Together they equate to the very best RV you can buy, and the reason you should purchase a Fleetwood over any other brand.

**Require these features when you purchase your next RV... Fleetwood does!**

**See you on the road!**

*A look into what it takes to build the world's best travel trailer.*

It takes more than good looks to become America's number one RV manufacturer. It takes quality. Quality in the way we design, test, and build our products. Quality in our furnishings, appliances and other conveniences. And because we want our customers for life, we pay strict attention to every detail from concept to completed product to you. Fleetwood RV—not just another pretty face. You'll have to look a lot deeper. That's where our true beauty lies.

1. **ENGINEERED RADIUSED CEILING TRUSS** - Ensures strength, water runoff and reduced weight.
2. **IN-CEILING AIR CONDITIONING DUCT (most models)** - Better distributes cool air.
3. **R7 FIBERGLASS INSULATION** - As in your home, ensures interior comfort in every season.
4. **ARCTIC WHITE EPDM RUBBER ROOF** - Provides the ideal weather seal and is warranted for 12 years.\*
5. **INTERIOR LINEN PANEL** - Features a durable, easy-to-clean, decorative vinyl.

11. **SMOOTH GLOSS FIBERGLASS EXTERIOR SIDING** - More durable than aluminum siding, this glossy surface is easy-to-clean and adds beauty and structural integrity.
12. **1/4" PLYWOOD FLOOR** - Provides the interior structural strength to the laminated floor construction.
13. **WOOD SUBSTRATE** - Adds structural reinforcement to the exterior fiberglass panel.
14. **WOOD FLOOR SUBSTRATE** - Provides the foundation for the all-weather underbelly.
15. **LAMINATION GRADE UNDERBELLY** - Is a seamless, durable weather barrier.
16. **OSB ENGINEERED ROOF SUBSTRATE** - Is designed to maximize strength and is sealed to ensure moisture resistance.

17. **DARCO POLYMER UNDER SIDING** - A seamless sheet is wrapped to fully enclose the bottom of the RV to provide a barrier against the elements.
18. **2 x 3 FLOOR JOIST** - Allows for the placement of in-floor furnace ducting without compromising structural integrity.
19. **ENGINEERED 5/8" OSB FLOORING** - Provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using "tongue in groove" construction.
20. **2 x 2 SIDEWALL STUDS 16" ON CENTER** - Utilizing residential framing methods, this is the structural component of our sidewall construction.
21. **.024 ALUMINUM SIDING** - Complete with a baked-on enamel paint, this aluminum siding offers rigidity while still being affordable.

### Prowler Standard

The roof decking is comprised of Oriented Strand Board (OSB), a wood substrate that is engineered to maximize strength and sealed to ensure moisture resistance.

6. **ARMSTRONG® FLOORING** - From the best name in residential flooring.
7. **REINFORCED CAMBERED STEEL CHASSIS** - Provides optimal strength, durability, and towing safety.
8. **WOOD DECK** - Provides a solid backbone for the rubber roof construction.
9. **1 1/2" ALUMINUM TUBING** - Lightweight, structural joists and studs blend proven framing methods with technologically superior materials.
10. **HIGH-DENSITY BLOCK FOAM INSULATION (found in floor and sidewalls)** - Is custom cut to ensure maximum structure and insulation value.

Not all feature numbers apply to all units. Air conditioning unit shown is an optional item. \*See your authorized Fleetwood dealer for details.

### Prowler LS

2 x 3 kiln-dried Douglas Fir joist timbers are the structural component of our floor construction, which allows for the placement of in-floor furnace ducting without compromising strength.

We like to call the Prowler Lynx the ultimate Ultralite. Large enough to accommodate a growing family yet light enough to tow behind a wide range of today's SUVs. Lynx's aluminum construction has been combined with many advancements in engineering, manufacturing and materials to provide you greater selection and value. With plenty of floor plans, standard features, and options, it's no wonder that Prowler Lynx is the value leader.

Prowler Lynx—quality, comfort and affordability never looked so good.

## Prowler Lynx Interiors

## Prowler Interiors

Why has Prowler become our best-selling line of travel trailers and fifth wheels? Well, it's a lot of things. Attention to advancing technology in construction to provide structural integrity and towing ease. Maintaining quality standards from tow hitch to taillights. Improving your comfort by adding more interior living and storage space. A greater selection of floor plans, features and options continue to make Prowler #1. And, of course, our ongoing commitment to increased value and enjoyment in every one of our Prowler products.

Why do people love Prowler? Step into one and find out.

*Fleetwood RV—We Make Dreams Come True*

For over 50 years, we at Fleetwood have understood that people love the freedom and independence an RV provides. As a pioneer in the RV industry, Fleetwood is synonymous with outdoor recreation, and over the last half-century, we've grown to become the largest manufacturer of recreational vehicles in the world. This growth was inspired by the simple credo of Fleetwood's founder—to build great value into practical products that work hard for the consumer—a philosophy fully embraced by every Fleetwood associate to this day.

Go to any campground, state park or auto race and chances are that there will be more Fleetwood RVs present than units from any other manufacturer. Over two million vacations a year are taken in Fleetwood RVs, vacations that represent the dreams of RV owners. That's a great number of dreams to live up to. Yet, year after year, Fleetwood comes through.

That's why we remain the number one RV manufacturer in the world—we make the dreams of our customers come true.
