**FLEETWOOD RV**

Travel Trailers and Fifth Wheels **2002**

# FLEETWOOD® RV

Why would you buy anything else?

For every road you travel, Fleetwood has the RV to fit your high standards and lifestyle. We build the recreational vehicles America wants, accounting for nearly one out of every three RVs on the road today. How do we do it? We call it the **Fleetwood Equation**.

*Size + Service + Quality = Value!*

## Size *The world's #1 RV manufacturer*

For over a half-century, Fleetwood has grown to become the largest manufacturer of recreational vehicles in the world. And stands today as the only RV manufacturer in the **Fortune 500**. You won't find our nearest competitor in even the top 1,000. Fleetwood remains, year after year, the largest, most influential, innovative and recognized leader in the RV industry.

## Service *Listening to our customers*

With over 1,100 service dealers in the US and Canada, Fleetwood has the largest network in the RV industry. No other RV company comes close in equaling this vital customer support system. Fleetwood RV service dealers have instant, real-time electronic access to your service records as well as parts inventory and warranty repair authorization inquiries. We also provide a 24-hour customer call center for service and product information so no matter where you travel in North America, professional support and fast answers are always nearby. Call toll-free 24 hours a day: 1-800-322-8216.

## Quality *Using only the best materials*

At Fleetwood, quality begins with computer-aided design (CAD) technology to build quality into every travel trailer right from the start. Full-functioning prototypes are built and subjected to accelerated life cycle tests. Once approved for production, each unit is built by skilled technicians using quality materials and components from companies like Coleman®, Dometic®, Flexsteel®, Magic Chef® and Panasonic®. All this assures that every Fleetwood RV has the fit, finish and details required by our high standards—as well as yours.

## Value *Priced right with style*

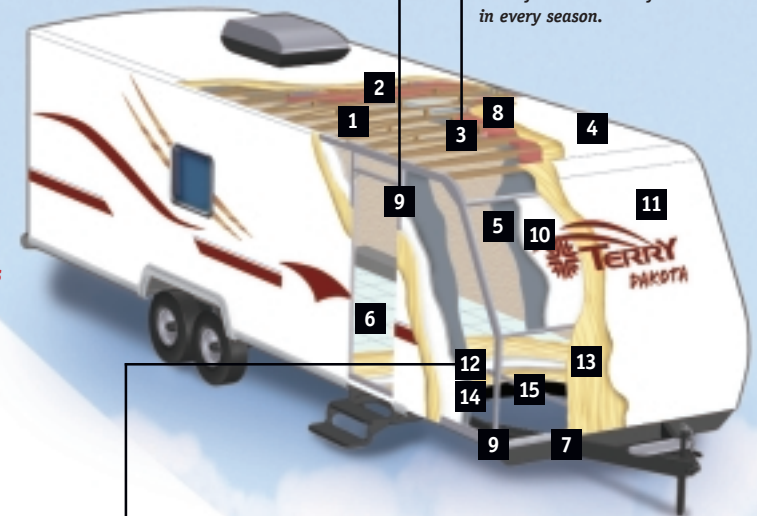

At Fleetwood RV, we look at value as the sum of everything we offer.

- **Value** is our design and engineering expertise, and innovative manufacturing methods.
- **Value** is structures and components that meet or exceed government and industry safety standards.
- **Value** is Ownercare—a two-year full warranty that includes systems, appliances, components, and construction, no deductible and no service charge, and is fully transferable for the first 24 months. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

Lightweight 1 1/2" aluminum structural joists and studs blend proven framing methods with technologically superior materials.

R7 fiberglass and block foam insulation ensures a high insulation value for interior comfort in every season.

Floor construction, comprised of 1/4" plywood floor, wood floor substrate and lamination grade underbelly provide strength and durability.

**Terry Dakota Ultralite**

- **Value** is customer satisfaction. When asked, more experienced RV owners would recommend a Fleetwood to a friend than any other brand. Fleetwood RVs consistently hold their value better than most RVs at trade-in time.

**Value is peace of mind.**

**SSQV**—Size, Service, Quality, and Value. Together they equate to the very best RV you can buy, and the reason you should purchase a Fleetwood over any other brand.

**Require these features when you purchase your next RV... Fleetwood does!**

*See you on the road!*

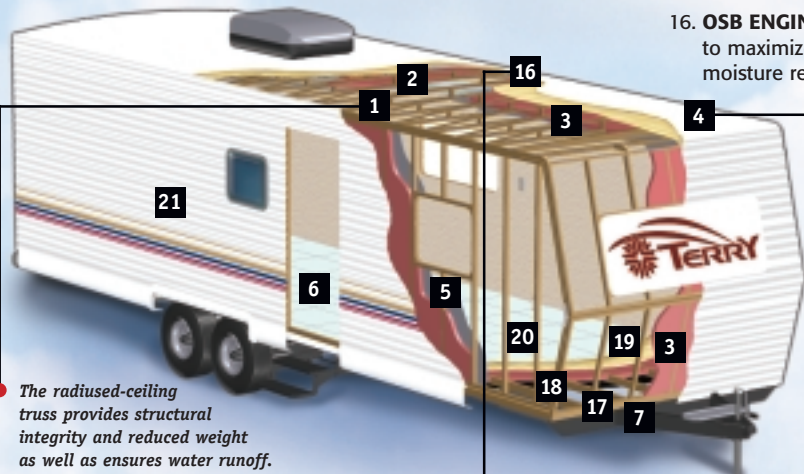

*A look into what it takes to build the world's best travel trailer.*

It takes more than good looks to become America's number one RV manufacturer. It takes quality. Quality in the way we design, test, and build our products. Quality in our furnishings, appliances and other conveniences. And because we want our customers for life, we pay strict attention to every detail from concept to completed product to you. Fleetwood RV—not just another pretty face. You'll have to look a lot deeper. That's where our true beauty lies.

1. **ENGINEERED RADIUSED CEILING TRUSS** - Ensures strength, water runoff and reduced weight.
2. **IN-CEILING AIR CONDITIONING DUCT (most models)** - Better distributes cool air.
3. **R7 FIBERGLASS INSULATION** - As in your home, ensures interior comfort in every season.
4. **ARCTIC WHITE EPDM RUBBER ROOF** - Provides the ideal weather seal and is warranted for 12 years\*.
5. **INTERIOR LINEN PANEL** - Features a durable, easy-to-clean, decorative vinyl.

11. **SMOOTH GLOSS FIBERGLASS EXTERIOR SIDING** - More durable than aluminum siding, this glossy surface is easy-to-clean and adds beauty and structural integrity.
12. **1/4" PLYWOOD FLOOR** - Provides the interior structural strength to the laminated floor construction.
13. **WOOD SUBSTRATE** - Adds structural reinforcement to the exterior fiberglass panel.
14. **WOOD FLOOR SUBSTRATE** - Provides the foundation for the all-weather underbelly.
15. **LAMINATION GRADE UNDERBELLY** - Is a seamless, durable weather barrier.
16. **OSB ENGINEERED ROOF SUBSTRATE** - Is designed to maximize strength and is sealed to ensure moisture resistance.

17. **DARCO POLYMER UNDER SIDING** - A seamless sheet is wrapped to fully enclose the bottom of the RV to provide a barrier against the elements.
18. **2 x 3 FLOOR JOIST** - Allows for the placement of in-floor furnace ducting without compromising structural integrity.
19. **ENGINEERED 5/8" OSB FLOORING** - Provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using "tongue in groove" construction.
20. **2 x 2 SIDEWALL STUDS 16" ON CENTER** - Utilizing residential framing methods, this is the structural component of our sidewall construction.
21. **.024 ALUMINUM SIDING** - Complete with a baked-on enamel paint, this aluminum siding offers rigidity while still being affordable.

• EPDM rubber membrane roof provides the ideal weather seal and the membrane's manufacturer warrants this component for 12 years.

• The radiused-ceiling truss provides structural integrity and reduced weight as well as ensures water runoff.

6. **ARMSTRONG® FLOORING** - From the best name in residential flooring.
7. **REINFORCED CAMBERED STEEL CHASSIS** - Provides optimal strength, durability, and towing safety.
8. **WOOD DECK** - Provides a solid backbone for the rubber roof construction.
9. **1 1/2" ALUMINUM TUBING** - Lightweight, structural joists and studs blend proven framing methods with technologically superior materials.
10. **HIGH-DENSITY BLOCK FOAM INSULATION (found in floor and sidewalls)** - Is custom cut to ensure maximum structure and insulation value.

**Terry Standard**

• The roof decking is comprised of Oriented Strand Board (OSB), a wood substrate that is engineered to maximize strength and sealed to ensure moisture resistance.

• Utilizing residential framing methods with 2 x 2 Fir stud timbers on 16" centers, this is the structural component of our sidewall construction.

• 2 x 3 kiln-dried Douglas Fir joist timbers are the structural component of our floor construction, which allows for the placement of in-floor furnace ducting without compromising strength.

**Terry EX**

*Not all feature numbers apply to all units. Air conditioning unit shown is an optional item. \*See your authorized Fleetwood dealer for details.*

827 5S | Green 02 | Interior

Shown in optional Fairfield wood choice

**1** Enjoy the afternoon relaxing in the roomy sitting area. The **large picture windows** let the outside in and comfortable **rocking chairs** swivel for a perfect view. Sounds relaxing, doesn't it?

Terry Dakota UltraLite has earned a reputation for combining value, quality and versatility with entry level affordability. This year's Terry Dakota is no exception. In fact, things have only gotten better. Dakota is built with 1½" laminated aluminum framed sidewalls for strength and plenty of insulation. Plus it has durable, easy to clean exterior fiberglass sidewalls. And of course there is Fleetwood's attention to quality in every aspect of manufacturing—what other brands set their standards by. But it's also about fun. So get out there and have some, in a new Terry Dakota.

827 5S | Green 02 | Interior

Shown in standard Brentwood wood choice

**2** With the touch-of-a-button increase your comfort with one of Dakota's floor plans that feature a **13' slide-out**. The **comfortable dinette**, **plush sofa** and wide range of standard features highlight this stylish ultralite.

**3** **Residential-height countertops**, **stainless steel sink**, **3-burner range** and **6-cubic foot Dometic® refrigerator** are all within reach in the gorgeous Dakota galley.

Shown in standard Brentwood wood choice

From its incredibly strong chassis, wide-body construction and increased living and storage area to its residential-height countertops, spacious bedroom and extensive offering of floor plans—it's easy to see why Terry outshines the competition and maintains a following of loyal enthusiasts. Every Terry travel trailer and fifth wheel epitomizes what Fleetwood stands for—providing you the absolute best RV available on the market today.

Take a Terry out this weekend and we're sure you'll agree, nothing else even comes close.

30 5S | Blue 01 | Bedroom

Shown in optional Fairfield wood choice

1 Inside Terry you'll instantly notice the **increased interior width** and **higher ceilings**. **Plush furnishings, contour Brentwood cabinet treatments, and a beautiful interior decor** invite you back in after your adventure outdoors.

2 Say good night as you slip off to sleep in the **queen-size bed**. There's also plenty of room for all your belongings in the **large, overhead cabinets, nightstands and under bed storage**. Choose from three inviting, **color coordinated decor options**.

3 What's the recipe for the perfect galley? Start with an **abundance of storage space**, mix in **name brand appliances** and add the convenience of **extra counter space, and deep, double sinks**. Then simmer on a **3-burner stove** with a convenient **microwave overhead**. And let cool in front of a sunlit window.

EX 31 G | Neutral 06 | Bedroom

Luxury. Luxury. Luxury. Little has been overlooked when it comes to your comfort in a Terry EX. Most floor plans offer flush floor slide-outs for spacious living areas. A galley with expansive countertops, porcelain sink, residential-height countertops and raised panel, solid wood cabinet doors. Craftsmanship in every detail, with name brand appliances, contemporary window treatments and fabrics and Flexsteel® furniture. We could go on and on, but why not experience Terry EX and put yourself firmly in the lap of luxury.

1 Live in luxury in the well-appointed living quarters. You have your choice of a variety of floor plans, featuring flush floor slide-outs, and deluxe decor options. And the 92 1/2" width enhances an already perfect interior.

2 From a mid-day snack to a four-course meal, prepare to be delighted with name brand appliances, porcelain sink with single lever faucet, and residential-height countertops. And you can't miss the 6-cubic foot Dometic® refrigerator; extra large oven and 3 burner cook top surrounded by beautiful wood cabinetry.

3 The Terry EX bedroom offers a queen-size bed, dual overhead reading lamps, plush carpeting, and plenty of storage cabinets. Stash the alarm clock in the nightstand drawer and sleep-in this weekend. Go on— you deserve it.

For further product information and changes, please visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

## *Fleetwood RV—We Make Dreams Come True*

For over 50 years, we at Fleetwood have understood that people love the freedom and independence an RV provides. As a pioneer in the RV industry, Fleetwood is synonymous with outdoor recreation, and over the last half-century, we've grown to become the largest manufacturer of recreational vehicles in the world. This growth was inspired by the simple credo of Fleetwood's founder—to build great value into practical products that work hard for the consumer—a philosophy fully embraced by every Fleetwood associate to this day.

Go to any campground, state park or auto race and chances are that there will be more Fleetwood RVs present than units from any other manufacturer. Over two million vacations a year are taken in Fleetwood RVs, vacations that represent the dreams of RV owners. That's a great number of dreams to live up to. Yet, year after year, Fleetwood comes through.

That's why we remain the number one RV manufacturer in the world—we make the dreams of our customers come true.
