

American[®] TRADITION

from American Coach

S T A R T O F A N E W T R A D I T I O N .

Your new home on the range.

Our new “full body paint” exterior is just the beginning of many long lasting traditions that are sure to endure the test of time and beauty. Your choice of exterior graphics can be mixed and matched with interior decors to give your American Tradition® a near customized look and feel that is all your own.

Special accents also add an extra touch to set your motor coach apart from all the others, including color coordinated awnings and shiny polished solid chrome wheels, and optional rear ladder. Just the right amount of flash to catch your eye and capture your heart.

For never ending Adventures.

T r a d i t i o n

Let American Tradition take you where you've never been before. North, south, east or west, you'll always feel right at home knowing your personal belongings and items are stowed down below in spacious storage areas. These lighted compartments feature easy to open swing-up luggage doors, and optional 36" and 54" slide-out trays. A 90" pass through storage tray is also available. As you can tell, storage is not a problem in the American Tradition. Neither is servicing or maintaining this classic motor coach, due to the easy-to-read tank monitoring systems and well lighted, color coded work station for water, sewer and electrical hook-ups. What you see outside also speaks volumes for what you're about to see inside. American Tradition... welcome aboard!

4 0 Q S W I N T E R W H I T E

40 QS PALOMINO INTERIOR (WITH OPTIONAL LEATHER PACKAGE)

K I C K Y O U R B O O T S O F F
and stay a while.

“Meet you back at the ranch” has taken on an all new meaning with the American Tradition. Three additional inches of head space now give plenty of room for guests donning the tallest of ten gallon hats. But the true test of comfort comes with relaxing on

beautiful Flexsteel® fabric or optional leather furniture, while enjoying your SONY® home theatre system. A complete entertainment package consists of a standard 24” SONY® Vega TV, VCR, DVD, AM/FM radio, DSS satellite system and five SONY® cube speakers and subwoofer.

Saddle up in Style.

Thanks to an adjustable Smart Wheel steering system, adjustable pedals and an ergonomically designed cockpit, it's easy to handle the reins of an American Tradition.

The welcome mat at this ranch automatically flips out to greet you when you open the door of an American Tradition. It's actually a durable Corian® stepwell with power step cover. Keyless entry and a lighted door handle make coming home all the more inviting.

Controls are within easy access and large easy-to-read dials and buttons allow you to make adjustments. An optional high tech information system, called Trip Tek, monitors gas mileage, temperatures, travel time and engine data. It also includes a compass and customer service directory.

S m a r t W h e e l

Did somebody ring the dinner bell?

No wagon train would be complete without a fully equipped and well stocked chuck wagon. In an American Tradition, all you need to supply is the grub. Everything else comes standard, including a three burner range with oven, GE microwave, convection oven, four door Norcold® or two door Dometic® refrigerator, polished Corian® counter top and sink covers and a convenient Moen® pull-out faucet. There are also plenty of quality-built cabinets for pots and pans.

D i n n e r t i m e

N O M O R E L O N G I N G F O R T H E
wide open spaces.

There's plenty of room to stretch one's legs in an American Tradition. Especially in the dining room and kitchen areas. An elegant dinette provides comfortable seating for four and features a Corian® table with an extension and four

upholstered chairs. New optional overhead and wall cabinets are available in your choice of four attractive woods, including walnut, cherry, maple and alpine oak. The American Tradition... Now this is living.

40 QS PALOMINO INTERIOR (WITH OPTIONAL SHIRT WARD)

A GREAT PLACE TO
hang your hat.

Instead of sleeping outdoors under the stars, why not trade in that sleeping bag for an optional king size bed and a standard 20" SONY® Vega TV? Not only will you sleep better, but you'll also wake up refreshed and ready to tackle another day

for horsing around and relaxation. American Tradition has a number of large bedroom closets, drawers and storage compartments to stash your duds, boots and personal belongings. Everything you'll need to head 'em up and move 'em out.

For today's urban Cowboys & Cowgirls.

Riding the range all day on horseback often calls for drastic pain relief measures. Nothing answers the call better than a long, relaxing hot shower. American Tradition puts the average bunk house amenities to shame, with not only gold fixtures and a brass trimmed glass shower door, but also an overhead skylight in the shower. You'll also find Corian® topped vanities and a combination washer and dryer in the bath area to keep both you and your riding attire looking great.

Take any American Tradition for a spin and you'll quickly notice its luxurious ride and superb handling. Spartan custom platform features include a strong foundation with double cross-members reinforced and fastened with the industry's highest quality nuts & bolts. Spartan's Eurotech electrical system is one of the best in the industry. ABS brake testing ensures braking performance before your platform ever leaves the factory. Roadside Companion is Spartan's 24 hour service hotline that gives you the support you need wherever you go.

You'll also be comforted to know your Spartan platform was designed and built by a number of dedicated Spartan engineers who ensure tomorrow's technology is already engineered into each platform today. Rest assured, American Coach wouldn't settle for anything less.

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms, Multiply gallons x 3.785 to obtain liters

- (1) **GVWR (Gross Vehicle Weight Rating):** Means the maximum permissible loading weight of the motor home. GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
- (2) **GAWR (Gross Axle Weight Rating):** Means the maximum permissible loaded weight a specific axle is designed to carry.
- (3) **BW (Base Weight):** Means the weight of the motor home without fuel, options, water, cargo or passengers.
- (4) **GCWR (Gross Combined Weight Rating):** Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacity may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.
- (5) Length taken from front bumper to rear bumper (excludes accessories).
- (6) Excludes safety equipment and awnings.
- (7) Tank Manufacturer's listed water capacity (WC). Actual LPG capacity is 80% of water listed as required by the safety code.

*The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing.

IMPORTANT-PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

ELECTRONIC 350

Need a little reassurance for your Rocky Mountain ramblings? Tackle the high country with this fully electronic Cummins® 350 hp ISC diesel engine. It delivers state-of-the-art diagnostics, improved fuel economy, reduced emissions, a quieter ride, more miles between service stops, and the highest power-to-weight ratio in its class.

Access to your diesel generator is easy, and should your batteries ever run low, you'll now have peace of mind knowing your generator will automatically take over thanks to a new automatic start feature.

SEE AMERICA FROM A DIFFERENT
Point of View.

We believe the trip is always a little more meaningful when you travel our country in an American Coach. Because you're riding in a motorhome that was built by pride-filled Americans... for Americans. Americans who cherish the freedoms that have made this country the greatest country in the world. And, like you, we're prepared to keep those freedoms intact.

Our optional VIP Delivery Service takes place right here in the heartland at our factory in Decatur, Indiana. We'll do everything in our power to make you feel like part of our family the minute you take possession of your American Coach. It's an ideal opportunity to learn everything about your new vehicle firsthand from the

very people who proudly designed and built it.

Not only will you drive away with a Fleetwood 1 year/3 year RV Ownercare service and warranty card, you'll drive away with peace of mind, knowing you can rely on us wherever you are in the country, for roadside assistance, service and answers to any question you may have.

As an American Coach owner, you're automatically eligible to become a member of three active and fun-loving owner groups. The American Coach Association, American Coach chapter of FMCA and Club Fleetwood... great people who love to travel and party at beautiful resorts and vacation spots all across America.
