7' CEILINGS.

Summertime...or winter—whenever the road may call, you'll feel pampered in your new Excursion™. Settle back in the Flexsteel® Ultraleather™ couch and grab the remote. Panasonic's® awesome entertainment unit really delivers. With 7' ceilings (five inches more

than the '04 model), multiple slide-out rooms, dual A/C and two powerful furnaces, Excursion provides not only the spacious feeling of a residence, but all the comforts that make a house a home. At Fleetwood, you'll discover, we haven't forgotten the little things.

ULTRALEATHER THREE-PERSON SOFA, a durable pet-friendly fabric. It has the soft, supple feel of leather but it's scratch-, stain- and odor-resistant. And unlike leather, it's comfortable at all temperatures.

EASY-SWEEP ENTRY landing is a good place for dirty shoes thanks to its laminate flooring.

A 27" PANASONIC TV with hi-fi VCR & 5-disc DVD surround-sound home theater are standard.

OPTIONAL SATELLITE RADIO 100% commercial free music stations and 40 streams of sports, news and entertainment coast-to-coast. (Includes one-year Sirius® satellite subscription.)

A COOK'S KITCHEN.

Like to cook? Your Excursion has all the ingredients for memorable meals. Steaks, fish, a whole chicken? The convection microwave can do it all...fast, while the 3-burner, high-output cooktop handles the rest. Dometic's® large (12 cu. ft.) refrigerator minimizes shopping

trips and you'll love its no-smudge stainless-steel doors. A stainless double sink is premium-grade residential and, like the cabinets, it accommodates full-size plates. And, yes, there's plenty of counter space. *Bon appétit.*

HANDY KITCHEN PULLOUT provides additional space for all cooking needs. The newly designed vertical window provides an excellent view of the patio.

DURABLE CORIAN® COUNTERTOPS and sink covers are both sleek and practical for all-purpose use.

PANTRY BASKETS slide out for easy access and are spacious enough to hold all your cooking goods.

RETRACTABLE WAND FAUCET features elegantly designed, single-lever control. Complementing the faucet are soap and hand lotion dispensers.

SLEEP WELL.

Enjoy Restonic's® queen-size Pillow Top innerspring mattress. The bedroom also includes a fashionable bedspread with afghan throw and matching décor pillows, nightstands and a telephone jack. Enjoy a swiveling

Panasonic® 20" TV and above-the-bed cabinets, thanks to Excursion's 7' ceilings. The bathroom features a stainless-steel sink with Corian® countertop, a porcelain toilet with Water Saver™, and a molded shower with skylight.

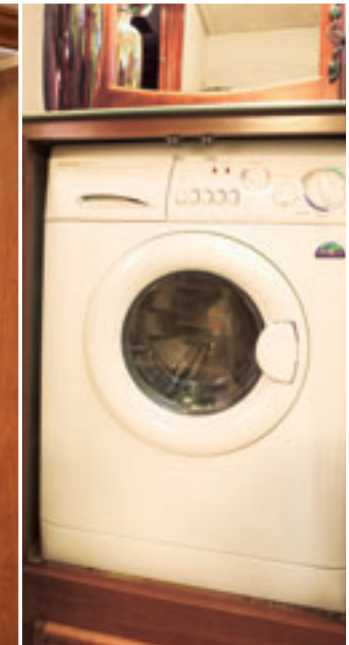

EXTRA LARGE SHOWER and Corian® counter sink gives the bathroom all the comforts of home.

OPTIONAL WINDOW SEAT offers storage while providing a pleasant place to read and relax. Standard on 39L configuration.

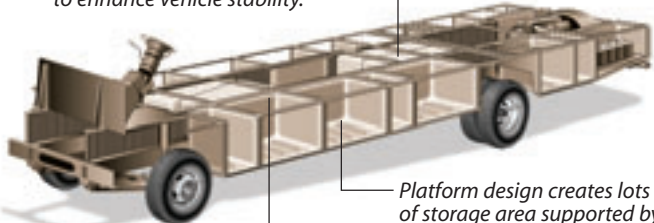

ORGANIZED WARDROBE is standard and ready to go, thanks to the carpeted floor, residential racks and cedar-lining which keep clothes fresh and moth-free.

COMBINATION WASHER/DRYER: Say goodbye to Laundromats. This optional unit is conveniently concealed in a cabinet.

Heavy fluid tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Platform design creates lots of storage area supported by sturdy Vacu-Bonded walls.

Neoprene rubber gasket isolates the living area from the chassis for a quiet ride.

POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10 inch steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a metal frame. This makes the chassis even stronger.

Full Paint

Premier multiple-stage paint process provides a luxurious look and quality finish.

Standard Dual A/C Units

Excursion has maximum cooling capabilities and plenty of storage because its A/C units are mounted on the roof not in the basement.

Satellite Dish

Enjoy the automatic locating system that you never have to adjust.

Slide-Outs

Available in numerous configurations, including triple and quad slides.

Tires

Designed specifically for RV's, Goodyear's G670 RV provides a superior ride and durability.

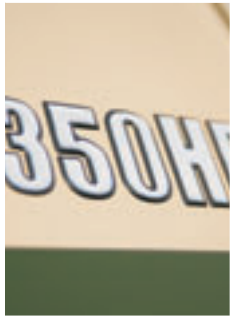

Storage

Storage compartments line both sides of coach. Compartments include lights, gas-lift strut supports, stainless-steel hinges and insulated aluminum doors.

Front Cap

Redesigned fiberglass front cap provides a sleek and contemporary design.

**Vehicle shown in Copper exterior graphics.*

350-HP Caterpillar® C7 diesel engine will make even climbing hills easy.

BASEMENT STORAGE provide lots of space and easy-wash compartments with insulated aluminum doors.
