1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the cargo carrying capacity.

2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.

3. Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.

4. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.

5. Length taken from front bumper to rear bumper (excludes accessories).

6. Excludes safety equipment and awnings.

7. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

8. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

N/A=Not Applicable.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

**IMPORTANT — PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

## Liberty Chassis

### American Coach Exclusive.

In true American Coach Fashion, American Coach set out to design a superior, one-of-a-kind chassis that would be able to overcome the structural challenges created by designing floor plans with triple and quad slide-outs. The result: The Liberty Chassis. This exclusive American Coach design (patent pending) strengthens the structural integrity of the driving platform by creating a strong and rigid frame that resists flexing and provides a comfortable and unforgettable driving experience.

- ❶ **Huge 15,000 lbs. Towing Capacity.** Easily tows your favorite vehicle.
- ❷ **Laminated Storage Liners.** Easy to maintain, neat, clean look, durable.
- ❸ **Electro-Coated Structure.** Protects against corrosion. Enhances longevity, quality and reliability.
- ❹ **All Steel Structure.** Enhances driving experience, strength and longevity.
- ❺ **Center-Mounted Fuel Tank.** Assists in weight distribution.
- ❻ **Independent Front Suspension w/55 Degree Turning Radius.** Optimum handling, enhances driving experience.

### Setting the Standard in Motor Home Quality.

**American Coach prototypes are exposed to thousands of miles of durability testing. Those components that don't survive are redesigned until they do.** This sets our standard in safety and durability.

**Numerous floor plan choices. American Coach offers a wide variety of floor plans including double, triple and quad slides.** This provides many choices to accommodate each customer's distinct needs.

**Vacu-bond® Roof, Sidewalls and Floor. The Vacu-bond® process adds a great deal of structural integrity by laminating the sidewalls, floors and roof into a strong composite structure.** This construction method is considered superior when compared to most competitors.

**More Power. Tradition comes equipped with a Cat® C9 with 400 HP engine with 1100 lb-ft of torque @ 1400 RPM.** This gives you plenty of power to tour the country at any pace you like.

**The Pneumatic Entry Door Air Locks is a unique feature that minimizes air intrusion, and wind noise when you are on the go.** Avionics® has designed a superior entry door for American Coach.

**Name Brand Components. Spartan®, Sony®, Dupont®, Avionics®, Flexsteel®, Moen®, Onan®, Norcold® and Dometic® to name a few.** We gather the best name brands in the industry to create a superior coach for you.

## What Drives You?

Maybe it's feeling like you're the only one on Earth. Perhaps it's the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we've shared that passion with you. Because we're RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you'll feel like you're not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you'll see what it is that drives us — it's you.

**RV OWNERCARE\*** is a limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest American Coach dealer for a full explanation of benefits and restrictions.

**FLEETWOOD TRAVELCADE CLUB** As a Fleetwood owner, you're eligible to become a member of our owners' group, Fleetwood Travelcade Club. It's a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 or visit [www.fleetwood.com/clubs](http://www.fleetwood.com/clubs) to learn more and join the fun! American Coach owners can join two great clubs.
