

Pioneer Spirit and Pioneer

**SO MUCH FUN OUT THERE, YOU CAN
ALMOST HEAR YOUR MOM CALLING
YOU IN FOR SUPPER.**

TRAVEL TRAILERS

Built-in Value | Quality | Functional Floor Plans | Appealing Décors | Enclosed & Heated Chassis Available

Spacious Pantry and TV Shelf
so you can enjoy the Fishing Channel and chips at the same time. (TV not included.)

The AM/FM Radio with CD Player
(available) provides instant relief from the relentless chorus of "99 Bottles of Beer on the Wall."

The Overhead Storage
is located right over the sink, so it's handy to put clean dishes away. And the cabinets are deep enough for full-size plates.

The Double-Bowl Acrylic Sink
makes doing the dishes easier with one side for washing and one for rinsing. The high-rise faucet leaves room for big pots.

The Microwave
(available) heats dinner fast so you can get to the best part: campfire and s'mores.

A LOT OF KUMBAYAH FOR THE BUCK. Exceptionally well priced, Pioneer™ and Pioneer Spirit™ are high-quality, feature-packed travel trailers designed for family fun in the great outdoors. At the same price you'd expect to pay for a used, second-hand trailer, you can camp in comfort in a brand-new model.

Pioneer 27FQS shown in Blue Topaz interior décor with Clear Oak wood finish.

^ **The Appealing Décor** makes camping more comfy with nice window treatments, warm cabinetry and Flexsteel® furniture that carries a lifetime warranty on the frame. (Select models.)

^ **The Galley** boasts the finest brand names, with a Dometic® refrigerator, Magic Chef® range and HydroFlame furnace.

The Convertible Sofa Bed

does double duty. By day, three people can lounge there. At night, two people can sleep. Hopefully, nobody snores.

The Wardrobe

is the perfect place for his shirts, reserving the closet for her more extensive wardrobe.

The Shower/Tub Combo

is perfect for cleaning kids who always seem to soak up a mountain's worth of dirt in a day.

One tour through a Pioneer and you'll see the innovation in our floor plans. For example, our bedrooms are situated east to west, which gives you more space to walk around and make the bed. Try to find that in somebody else's floor plan – bet you won't.

<The Master Bedroom features a comfortable innerspring mattress that's sure to beckon after a day of hiking. Hidden below, you'll find a lift-up platform with tons of storage.

> Under Bed Storage is the perfect place to stow extra down comforters.

Drawing is for illustrative purposes only to highlight aspects of Pioneer construction. Actual RV design depends on model and is subject to change.

TESTED TO EXTREMES. PROVEN DURABILITY.

You're going to entrust your vacation days to Pioneer, so we've tested the daylight hours out of the prototypes. They're exposed to miles of durability testing, and those components that don't survive are redesigned until they do. The end result is a tough trailer you can count on for years to come.

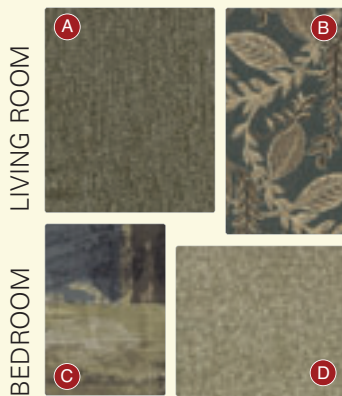

1. **ENGINEERED RADIUSED CEILING TRUSS** - Helps to ensure strength and water runoff.
2. **ONE-PIECE SEAMLESS SYNTHETIC RUBBER ROOF** - Provides the ideal weather seal.
3. **INTERIOR WALL PANEL** - Features a durable, easy-to-clean, decorative vinyl.
4. **STEEL CHASSIS** - Provides optimal strength, durability and performance.
5. **WOOD DECKING** - Provides a solid backbone for the roof construction.
6. **2" X 2" WOOD FRAMED SIDEWALL** - Provides a solid foundation for the sidewall construction.
7. **R-7 FIBERGLASS INSULATION** - Helps to ensure interior comfort in every season.
8. **.024" ALUMINUM SIDING** - Complete with a baked-on enamel paint, this aluminum siding offers rigidity while still being affordable.
9. **5/8" TONGUE AND GROOVE DECKING** - Provides structural strength floor construction.
10. **2" X 2" STUDS 16" ON CENTER** - Utilizing residential framing methods, this is the structural component of our front section.
11. **2" X 3" FLOOR JOISTS** - Provides the foundation for the enclosed chassis.
12. **ENCLOSED CHASSIS** - Is a lightweight, durable weather barrier (available).

PIONEER INTERIOR DÉCOR CHOICES

- A Sofa
 B Dinette Cushions & Throw Pillow
 C Bedspread & Headboard
 D Window Treatments

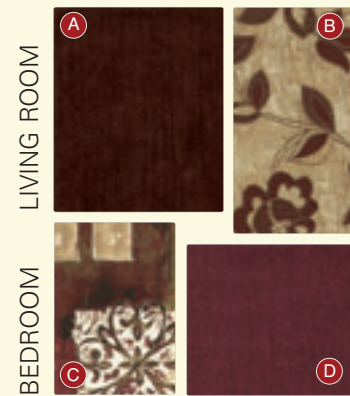

CLEAR OAK

BLUE TOPAZ

BASIL

MULBERRY

CHOOSE YOUR PIONEER.

Take your pick from two different trim levels, each packed with value. There's the Pioneer Spirit, the ultimate affordable trailer, or the Pioneer with even more bells and whistles. It includes things like an upgraded stereo with DVD, air conditioner and stabilizer jacks. But whichever way you go, Pioneer lets your family camp in comfort and stay within your budget.

Abundant Cargo Storage
gives you more room for your equipment, toys, and the ton of stuff families need to camp. And it makes loading and unloading a breeze.

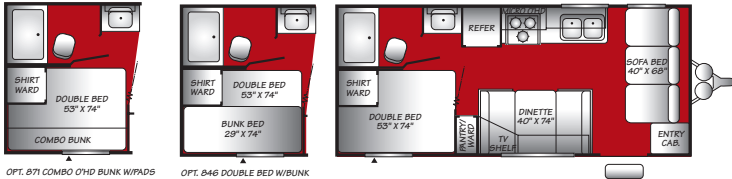

Exterior Shower
(available) is unbelievably handy to rinse off dirty dog paws, smelly waders and the occasional kid who fell (or jumped) in the mud hole.

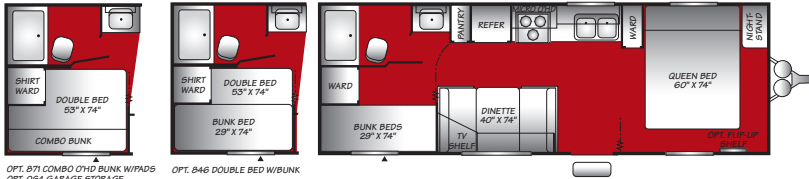

The Enclosed Chassis
is available on select Pioneer models. No need to migrate to warmer climates. The enclosed chassis allows heating the holding tanks to help prevent freezing in colder weather.

PIONEER SPIRIT FLOOR PLANS

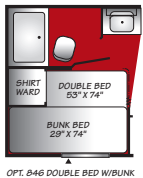

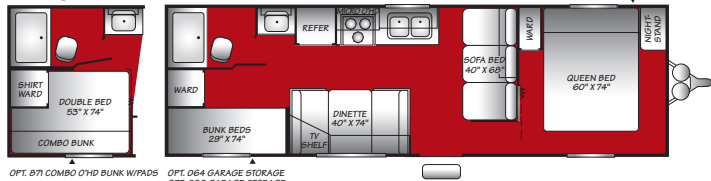

18CK Sleeps 6-7*

24BH Sleeps 6-7*

28BH Sleeps 8-9*

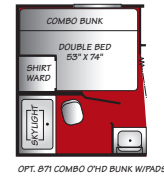

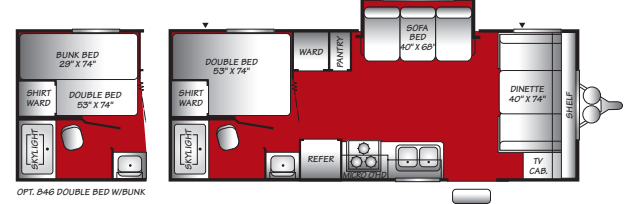

▲ = Exterior Storage

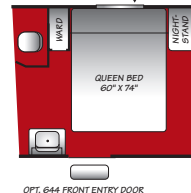

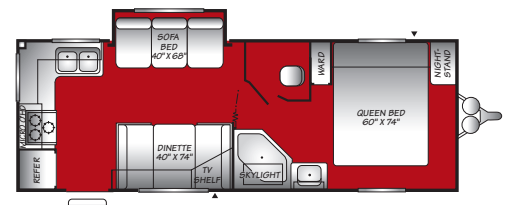

* Sleeping capacity is a variable number and is affected by items such as size of occupants, options and floor plan. Some models are not available in all areas of the country. Please see your local dealer for model availability.

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.
 2. All dry weights are based on the standard model and do not include optional features or equipment.
 3. Carrying Capacity is determined by subtracting Gross Dry Weight from GVWR. Cargo Carrying Capacity includes all fluids, optional features, equipment, and personal cargo.
 4. Length taken from hitch or pin box to rear bumper (excludes accessories). Trailer length includes hitch; fifth wheel includes standard pin box.
 5. Actual height may be lower, based on option offerings. Consult with your dealer to obtain actual height for the unit you are interested in.
 6. Approximate.
 7. Water weight equals 8.3 lbs. per gallon. Propane weight equals 4.2 lbs per gal.
 8. Add 10" if equipped with optional spare tire and carrier.
 9. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate actual usage.
- * = Estimated weights.
N/A = Not available at time of printing.

IMPORTANT— PLEASE READ

Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e.: equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

TO OUR CUSTOMERS...

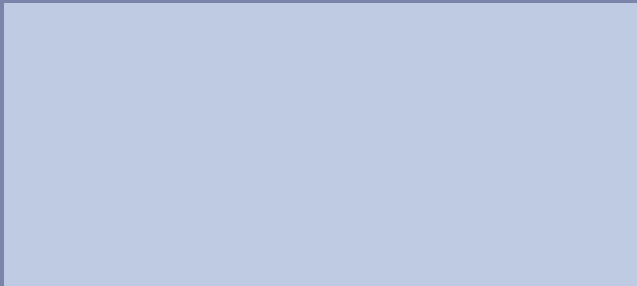

To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you're planning to buy. Don't rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and Cargo Carrying Capacity. These are usually available in the manufacturer's sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information **before** you decide which unit to buy.
2. Verify the towing capacity of your tow vehicle. If you don't know, or aren't sure, you can ask at your automotive dealership. Be sure to match its tow rating to the loaded (not dry) weight of your trailer. Include the weight of water, additional accessories, clothing, food, and gear. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. Be sure the weight of the tow vehicle plus the weight of your trailer do not exceed the Gross Combined Weight Rating of the tow vehicle.

Taking these simple steps before you buy will help ensure that your trailer and tow vehicle combination is just what you wanted.

See you on the trail!
