

QUANTUM

Roam Sweet Home.

FUNCTIONAL COMFORT | ABUNDANT STORAGE | SMART DETAILS | ALUMINUM FRAME | RESIDENTIAL UPGRADES

THE LIVING ROOM features refined details that transform your RV into a mobile oasis. Residential touches such as overstuffed furniture and decorative lighting are standard. A glowing fireplace, washer/dryer hookups, 27" flat screen TV, and Ultraleather™ furniture are also available. A 32" LCD TV is standard in the 315RKSA. A 37" LCD TV is standard in the 355SAQS and 365TSSA.

The Road is Calling.

Make time to get away, whether it's for a long weekend or for the winter. When you escape in the Quantum, you'll feel at home wherever you are.

THE FREE-STANDING DINETTE makes it easy to have sit-down meals with the family, and with the table extension, you can seat up to five of your closest friends or relatives. Let the festivities begin! The dinette chair seats lift up to reveal handy storage space. Look under the dinette tabletop and you will find additional "secret" storage.

Quantum 355RLQS shown in Raven interior décor with Plantation Cherry wood finish.

THE GALLEY has been designed by seasoned RVers to provide abundant features as well as a functional layout. In addition to coming well equipped with a deep galley sink with a pullout sprayer, solid surface countertops and water purifier, the galley offers notable name brands such as Dometic® and Magic Chef®.

THE MASTER BATHROOM is spacious and richly appointed with marble-finish shower and sink, porcelain toilet, and medicine cabinet. The shower with marble-like finish, skylight, and massaging showerhead provides a tranquil end to an exciting day.

THE MASTER BEDROOM is luxurious and private. Just imagine reading your favorite book on the king-size innerspring mattress with a cup of hot cocoa on the nightstand.

Footloose and Fancy Free.

The Quantum gives you freedom to go where you want, and the luxury to enjoy it once you arrive. A spacious bedroom suite, large bathroom, and abundant storage provide everything you need for functional comfort during a long journey.

THE DRESSER represents a small portion of the abundant storage found in Quantum. Use it to organize your favorite jeans and t-shirts.

THE FULL CEDAR-LINED WARDROBE with shoe rack and light can accommodate enough clothes and shoes for a season spanning vacation.

Bedroom LCD TV is available in select models.

OUR CLAIM TO FAME: THE ALUMINUM FRAME.

To create a lightweight but strong skeleton, we used a welded aluminum frame on all four walls and the floor. Coupled with two lamination process, it provides superior sidewalls that are strong, corrosion resistant and lightweight.

1. HIGH GLOSS GEL COATED FIBERGLASS SIDING – This durable and glossy surface is easy to clean, and adds beauty and structural integrity.
2. FIBERGLASS FRONT CAP – Improved aerodynamics and styling.
3. 2" X 2" ALUMINUM SIDEWALL STUDS – Keeps weight down while providing structural integrity to the sidewall.
4. SOLID BLOCK EPS (EXPANDED POLYSTYRENE) INSULATION – Provides strength and durability while helping to ensure interior comfort in every season.
5. WOOD SUBSTRATE – Adds structural reinforcement to the exterior fiberglass siding.
6. INTERIOR WALL PANEL – Features a durable, easy to clean, decorative finish.
7. 2" X 3" ALUMINUM FLOOR JOISTS – Provides a lightweight floor construction without compromising strength while allowing for the placement of in-floor furnace ducting.
8. ENGINEERED 5/8" FLOOR DECK – Provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using tongue in groove construction.
9. DURABLE VINYL FLOORING – From the best name in residential flooring.
10. FULLY ENCLOSED CHASSIS – Provides a barrier from ground debris and allows for the holding tanks to be heated.
11. R7 FIBERGLASS INSULATION – As in your home, helps to ensure interior comfort in every season.
12. ENGINEERED RADIUSED STEEL CEILING TRUSS – Ensures strength, water runoff and reduced weight from wood structures.
13. ENGINEERED ROOF DECK – Is designed to maximize strength, is sealed to ensure moisture resistance and provides a solid backbone for the rubber roof construction.
14. ARCTIC WHITE SEAMLESS SYNTHETIC ROOF MEMBRANE – Provides the ideal weather seal and is warranted for 12 years.
15. REINFORCED CAMBERED STEEL CHASSIS – Provides optimal strength, durability, and towing performance.
16. DUCTED IN-CEILING AIR CONDITIONING – Efficiently distributes cool air.

QUANTUM

Drawing is for illustrative purposes only to highlight aspects of Quantum construction. Actual RV design depends on model and is subject to change.

PASS-THROUGH STORAGE is the place to keep large items like your golf clubs or your wake board.

A FULLY ENCLOSED CHASSIS is available. No need to migrate to warmer climates. The enclosed chassis allows heating the holding tanks to help prevent freezing in colder weather.

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.

2. All dry weights are based on the standard model and do not include optional features or equipment.

3. Cargo Carrying Capacity is determined by subtracting Gross Dry Weight from GVWR. Cargo includes all fluids, optional features, equipment, and personal cargo.

4. Length measured from hitch or pin box to rear bumper (excludes accessories). Trailer length includes hitch; fifth wheel includes standard pin box.

5. Actual height may be lower, based on option offerings. Consult with your dealer to obtain actual height for the unit you are interested in.

6. Approximate.

7. Water weight equals 8.3 lbs per gallon. Propane weight equals 4.2 lbs per gallon.

8. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate the GVWR of the selected trailer.

IMPORTANT— PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

Why Quantum?

QUALITY

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

WARRANTY

Exclusive RV Ownercare warranty. See your Fleetwood dealer for details.

PASSION

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

SERVICE

Help is nearby. When you need an upgrade or repair, you'll find facilities all across North America and more than 1,100 dealers ready to assist you.

TRUST

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

CONTACT US

To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-444-4905. We can also be contacted at Fleetwood Customer Relations, P.O. Box 1007, Decatur, IN 46733.

FLEETWOOD TRAVELCADE CLUB

As a Fleetwood owner, you're eligible to become a member of the Fleetwood Travelcade Club. It's a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 or visit our website at www.fleetwoodrv.com/owners_clubs to learn more and join the fun!

Your Local Fleetwood Dealer Is:

TO OUR CUSTOMERS...

To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you're planning to buy. Don't rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and Cargo Carrying Capacity. These are usually available in the manufacturer's sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information before you decide which unit to buy.
2. Verify the towing capacity of your tow vehicle. If you don't know, or aren't sure, you can ask at your automotive dealership. Be sure to match its tow rating to the loaded (not dry) weight of your trailer. Include the weight of water, additional accessories, clothing, food, and gear. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. Be sure the weight of the tow vehicle plus the weight of your trailer do not exceed the Gross Combined Weight Rating of the tow vehicle.

Taking these simple steps before you buy will help ensure that your trailer and tow vehicle combination is just what you wanted.

See you on the trail!

tread lightly!
