

A pioneering spirit.
The founding fathers would be proud.

2009 AMERICAN ALLEGIANCE™

2009 AMERICAN ALLEGIANCE

Because every great journey
begins with a first step.

INTRODUCING THE 2009 AMERICAN ALLEGIANCE

Ever dream of blazing new trails? Of discovering uncharted territory? Well now, you can. Because the 2009 American Allegiance is designed to help you manifest your destiny. At the forefront of engineering

and design, it's an all-new way to be a part of the American Coach family. So get ready to put one foot in front of the other. Because in the end, it's one small step for you – but one giant leap for your future.

First To The Moon —

July 21, 1969 – American, Neil Armstrong becomes the first man to set foot on the Moon during the Apollo One mission. As he put his left foot down he declares: “That’s one small step for man, one giant leap for mankind.”

American Allegiance 42G shown in Silver Pearl with Anthem Graphics. (Also available in Venture graphics.)

2009 AMERICAN ALLEGIANCE

American Allegiance 42G shown in Vanilla Toffee interior décor with Regency Cherry cabinetry and optional furniture.

2009 AMERICAN ALLEGIANCE

Feel like surprising your palate?
Enjoy a meal at Allegiance's alluring
and intimate dinette. Accompanied
by two beautifully upholstered
dining chairs, the hidden, pullout
tabletop seats up to four and lets
you enjoy a meal anytime the mood
strikes. It's just one of the many
surprises that Allegiance has in store.

Build your sense of adventure.

There's excitement waiting around every corner – and you don't have to look outside to find it. The Allegiance's stunning interior amenities take luxury to dazzling new heights. Lounge in comfort on a plush Ultraleather™ upholstered sofa. Or, experience theatrical thrills with a state-of-the-art home

entertainment center, complete with 40" or 32" Samsung® LCD TV. With two opposing, 30" slide-outs, the widest floor plans in the industry provide an incredibly spacious living environment. It's all part of making the journey exhilarating – not to mention, stylish.

First Ferris Wheel —

The Ferris Wheel was Chicago's answer to the Eiffel Tower and was the engineering highlight of the 1893 World's Fair. Built by bridge builder George Ferris, it held up to 2,160 people and had a height of 264 feet.

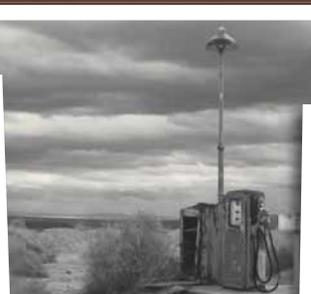

The maiden voyage
is always the sweetest.

Groundbreaking expeditions require gourmet fuel. That's why the Allegiance galley offers the top-quality appliances, inventive features and good looks that every traveling chef deserves. A roomy, Norcold® refrigerator

keeps food fresh for miles. The convection microwave makes delicious snacks in a snap. Lovely backsplash detailing and decorator-selected hardware make every destination feel like home.

The First Continental Highway —

Historic Route 66, started in 1926, made its way west from Chicago and ended at the Pacific Ocean in Santa Monica, California. It covered 2,448 miles.

2009 AMERICAN ALLEGIANCE

2009 AMERICAN ALLEGIANCE

2009 AMERICAN ALLEGIANCE

Bridge functionality with opulence.

American Allegiance's decadent living quarters give you private spaces to relax and rejuvenate. Surrounded in rich wood cabinetry, a luxurious queen bed invites you to nestle in. An inviting shower with built in

skylight lets you bathe in natural light and warming comfort. With so many features to enjoy, it's the perfect place to prepare to seize the day - and recharge when you're done.

The First Suspension Bridge —

The Golden Gate Bridge completed after more than four years of construction and a cost of \$35 million opened to traffic on May 28, 1937.

2009 AMERICAN ALLEGIANCE

Allegiance's low profile, automotive-style dash gives you full instrumentation, full tilt and back lighting for nighttime visibility. A telescoping Smart Wheel helps you navigate each journey with ease.

Let the next great American adventure be yours.

Picture yourself at the helm of a perfect vessel. Eyes on the great horizon, you're ready to seek new roads. Settle into the six-way power driver's seat, covered in sleek Ultraleather™. Grip the edges of the perfectly aligned Smart Wheel, trimmed in burl wood for classic elegance. Discover information and entertainment with the state-of-the-art R5000 system. Feel the power of a 400HP Cummins® engine beneath your feet. It's not a fantasy, captain. It's the American Allegiance cockpit. And experiencing is believing.

Prepare to be blown away. The incredible Navion® R5000 Information and Entertainment Center includes: AM/FM radio, a single CD player, MP3 player, camera monitor and one-way audio capabilities, all in one place. You'll even enjoy Sirius Satellite Radio®, complete with a six-month subscription.

First To Cross The Atlantic —

May 21, 1927 -- Charles Lindbergh flew from New York to Paris in 33 ½ hours thus becoming the first person to fly solo across the Atlantic.

Built better, built stronger from the ground up.

At American Coach, we believe in leading with innovation – and the unmatched Liberty Chassis was born out of that spirit. A rugged, all steel, modular chassis system with independent front suspension, it's designed for an incomparable driving

experience. So even coupled with a high-performance diesel engine, you'll enjoy the lowest levels of vibration for the smoothest riding coach on the road. Consider it our salute to integrity.

The Liberty Chassis —

Technology this groundbreaking requires an expert team. That's why American Coach and Spartan® decided to join forces. Since 2004, the American Coach line has been built on the Liberty Chassis, an integration of superior American Coach framing technology and the Spartan Chassis modular system, providing the strength and structure for a ride unrivaled in the luxury coach industry.

2009 AMERICAN ALLEGIANCE

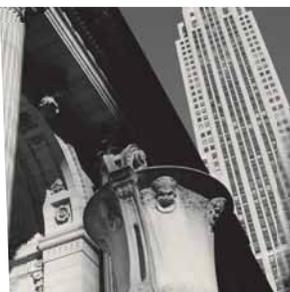

The greatest accomplishments are never the result of just one person. They're the result of many. American Coach's team of passionate craftsmen and dedicated engineers work

towards a single goal: building a superior product. So from end to end, to the very last detail, you can rest assured that your coach is made to go the distance.

The First Skyscraper —

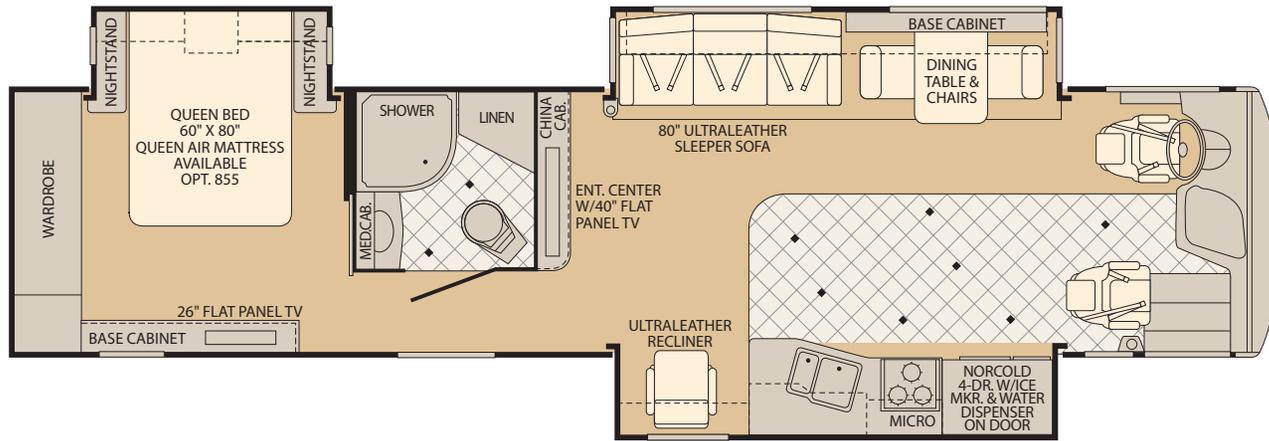

The ten-story Home Insurance Building in Chicago was designed by Architect William Le Baron Jenney and was completed in 1885. The building was the first fully metal-framed skyscraper in America.

AMERICAN ALLEGIANCE | WEIGHTS AND MEASUREMENTS

WEIGHTS	40X	42G
GVWR (lbs) ¹	34,600	44,600
Front GAWR (lbs) ²	14,600	14,600
Rear GAWR (lbs) ²	20,000	20,000
Tag Axle GAWR (lbs) ²	N/A	10,000
GCWR (lbs) ³	49,600	59,600
Hitch Rating Weight (lbs) [†]	15,000	15,000
Tongue Rating Weight (lbs) [†]	1,500	1,500

DIMENSIONS & CAPACITIES	40X	42G
Wheel Base (inches)	278"	302"
Overall Length ⁴	40' 11.5"	42' 11.5"
Overall Height (w/AC)	13' 0"	13' 0"
Overall Width (maximum) ^{5, 6}	102"	102"
Interior Height (maximum)	84"	84"
Interior Width (maximum)	96"	96"
Fresh Water Holding Tank (gal)	90	90
Grey Water Holding Tank (gal)	70	70
Black Water Holding Tank (gal)	40	40
Appliance Propane Tank (gal)(WC) ⁷	30.6	30.6
Water Heater Tank (gal)	10	N/A
Fuel Capacity (gal)	125	125
Awning (Carefree)	17' 6"	19' 6"

Liquid Weight Reference:

Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

Metric Conversion:

Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

CHASSIS - CUMMINS® 400
Frame: Liberty Chassis
Engine: ISL 400 HP, 8.9L
Torque: 1200 lb-ft @ 1300 RPM
Transmission: Allison® 3000 MH, 6 Speed w/Electronic Shifter
Alternator Amps: 200 Amp, Leece Neville
Tires: 295/80R 22.5 Radial

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity*.
 2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
 3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to American Coach and chassis manufacturer's manuals for complete information.
 4. Length measured from front bumper to rear bumper (excludes accessories).
 5. Excludes safety equipment and awnings.
 6. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
 7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = not available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.

IMPORTANT - PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.AmericanCoach.com or contact your local American Coach dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. American Coach has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
