

THE BUNKBEDS (optional on most models) add to the available sleeping space, while increasing the fun-factor twofold for the kid in all of us!

THE BEDROOM is a dream come true, combining comforts, like an inner-spring mattress, with functional features, like a wardrobe that accommodates full size hangers and abundant under-bed storage.

THE BATHROOM — with its tub/shower, skylight and flush toilet—is enough to make you swear off tents forever.

THE GALLEY features a double-bowl sink, 3-burner range with 16" oven, refrigerator, microwave, and a flip-up counter extension (excludes Sport models). No half-baked kitchen here!

THE LIVING ROOM let's you do exactly that. Open up the sofa bed and grab a nap (after turning off the decor light fixtures, of course). Or just relax with a cool drink. Don't worry if you spill, the wood-textured vinyl flooring can take it.

Mallard shown in Gemstones interior décor with Plantation Cherry wood finish.

THE ENTERTAINMENT isn't only outdoors—thanks to the AM/FM/CD player, or optional AM/FM/CD/DVD/MP3 player. Prefer the Big Game to big games? Add an LCD TV with DVD player (except on Sport models) and you're all set.

THE GARAGE STORAGE (optional) gives you plenty of extra room to store all those odds 'n' ends you like to bring along.

THE OVERHEAD GALLEY STORAGE, conveniently located above the sink, keeps items handy, and hidden, behind raised panel doors.

THE DINETTE gives you room to graze at mealtime, and enough table space—and overhead lighting—to take on a jigsaw puzzle (jigsaw puzzle after dessert).

GET READY TO HEAR "WHY DIDN'T WE DO THIS SOONER?" Packing it all up and heading for the hills (or the river, or the beach) is now as easy as hitching up your Mallard to your truck or SUV. Everything you need is right inside. And speaking of the inside, you're gonna love what we've done with the place. Go ahead, make yourself at home.

WHY MALLARD?

PASSION
We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

QUALITY
There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

SERVICE
Help is nearby. When you need an upgrade or repair, you'll find Fleetwood dealers all across North America ready to assist you.

WARRANTY
Exclusive RV Ownercare warranty. See your Fleetwood dealer for details.

TRUST
More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

IMPORTANT—PLEASE READ

Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e.: equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

Your Local Fleetwood Dealer is:

To Our Customers...

To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you're planning to buy. Don't rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and Cargo Carrying Capacity. These are usually available in the manufacturer's sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information before you decide which unit to buy.
 2. Verify the towing capacity of your tow vehicle. If you don't know, or aren't sure, you can ask at your automotive dealership or contact your tow vehicle manufacturer. Be sure to match your tow vehicle's tow rating to the Gross Vehicle Weight Rating (not dry weight) of the trailer you are considering. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. Be sure the weight of the tow vehicle plus the Gross Vehicle Weight of your trailer does not exceed the Gross Combined Weight Rating (GCWR) of the tow vehicle.
- Taking these simple steps before you buy will help ensure that your trailer and tow vehicle combination is just what you wanted.

See you on the trail!

**WHEN YOU'VE GOT A MALLARD,
YOU WON'T WAIT 'TIL WINTER

- Fire Extinguisher
- Flush Mount Entry Door Latch w/Deadbolt Lock
- Patio Light w/Interior Switch
- Propane Detector/Alarm
- Retractable Entry Step w/Non-Skid Strip
- Smoke Detector/Alarm

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.
2. All dry weights are based on the standard model and do not include optional features or equipment.
3. Cargo Carrying Capacity is determined by subtracting Gross Dry Weight from GVWR. Cargo includes all fluids, optional features, equipment, and personal cargo.
4. Length is measured from hitch or pin box to rear bumper (excludes accessories). Trailer length includes hitch; fifth wheel includes standard pin box.
5. Actual height may be lower, based on option offerings. Consult with your dealer to obtain actual height for the unit you are interested in.
6. Approximate.
7. Water weight equals 8.3 lbs per gallon. Propane weight equals 4.2 lbs per gallon.
8. Add 10" if equipped with optional spare tire and carrier.
9. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo, and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate the Gross Vehicle Weight Rating of the selected trailer.
N/A = Not available at the time of printing.

Drawing is for illustrative purposes only to highlight aspects of Mallard construction. Actual RV design depends on model and is subject to change.
