

IF THE WORLD IS YOUR OYSTER,  
YOU'VE JUST FOUND YOUR PEARL.

# PROVIDENCE<sup>®</sup>

CLASS A DIESEL

2009 PROVIDENCE

 FLEETWOOD<sup>®</sup>

## FOR THOSE WHO CONSIDER LUXURY A NECESSITY.

Some people have a keen appreciation for the finer things in life. Providence is definitely one of the finer things. With its heightened sense of style and luxury touches, Providence makes every trip an indulgence. It features lush fabrics, natural grained wood cabinetry and crown molding throughout the coach, just like the finest homes. In fact, our new 40X model boasts a 40" Samsung® LCD HDTV in the center of the coach, providing a true home theater experience. The halogen lights feature dimmers to set the right mood. These are just a few of the features that make Providence one of the most breath-taking coaches on the road.

### Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

PROVIDENCE

The Sofa provides cozy seating for two to watch a romantic movie. Or, invite friends over and share a drink. For extra indulgence, opt for the sofa covered in rich Ultraleather™.

The Front Entertainment Center lets you enjoy The History Channel after a day touring the Smithsonian. The system includes a 32" Samsung® LCD HDTV (40X features a 40" midship LCD HDTV with optional 32" LCD HDTV in the front), DVD player and Dolby® 5.1 theater sound system with front, rear and center speakers, and a subwoofer. And you can enjoy home movies or video games with the RCA TV jacks.

### Why Buy Providence?

#### Impressive Exterior

Providence makes a striking first impression with its commanding size, sparkling paint and obvious attention to detail.

Providence 40T shown in Raven interior décor with Plantation Cherry cabinetry.

### Cummins® 360HP Diesel Engine

As one of the finest performing diesel engines in the world, the Cummins® ISC 8.3L engine provides mighty power underfoot.

### Sophisticated Décor

Travel surrounded by sumptuous elegance, where everything delights the eye. Providence elevates adventure to a new level of luxury.

### Top-Of-The-Line Components

Providence is equipped with high-end brand name components that carry the prestige and quality you expect. The appliances, electronics and furnishings are top-notch.

### Upscale Conveniences

To make life more comfortable, Providence contains step-saving features at every turn. It's as if we anticipated your every need.

### Wide Variety of Floor Plans

When the living space feels right, you know it instinctively. With five different floor plans, one will be right for you.

## THE CRÈME DE LA CRÈME OF GALLEYS.

The galley in Providence challenges the finest kitchens. Its brand name appliances, top-of-the-line components and sheer beauty place it in a distinct league. The solid wood cabinetry features adjustable shelving, a pull-out galley extension, and drawers (select models). The solid surface countertops are non-porous and easy to clean.

### Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

PROVIDENCE

The Dinette is next to a big picture window. Just add an elegant meal and a sunset, and enjoy a romantic dinner date.

The Cabinets hold the ingredients for gourmet meals and light snacks. Select models feature pull-out baskets that make packing faster. Simply fill them inside your kitchen at home, then slide into Providence's pantry.

The Luxurious Window Blinds feature day shade and night time privacy. They are easy to use and dust resistant.

The Kitchenaid® Dishwasher (optional) is a great place to wash and store your dishes.

The Pull-Out Galley Extension gives you an instant island, a perfect place for appetizer trays. When the soirée is over, just roll the extension back underneath the cabinet and it's out of the way (select models).

The Residential Size Sink and Faucet features a Blanco™ stainless steel double sink with a stylish, contemporary look. The wand faucet features a functional single-lever control with soap dispenser (select models).

The Galley features a Norcold® 12 cu. foot refrigerator in a four-door model with ice maker to cool your drinks. The sleek stainless door has a water dispenser too. In addition to the 2-burner electric cook top, the GE® convection microwave cooks and bakes food in a fraction of the time of an oven. And to keep these appliances running flawlessly, we've added a 2000 watt pure sine inverter to deliver clean, pure AC power.

# WIDE-OPEN SPACES.

Step into the bedroom and you'll be amazed at the amount of room you have to relax. While many expect you to sleep in cramped quarters, Providence offers a wealth of space thanks to a 30" deep slide-out. Most competitors offer much smaller slide-outs. In fact, Providence is available with full-wall, triple and quad slide-out options. And when you're lying in your spacious bed, you can appreciate the tall coffered ceilings too. Sweet dreams.

## Passion

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

PROVIDENCE

The Bathroom Vanity is a lavish setting to get ready for the day. The mirrored cabinetry holds your cosmetics and grooming supplies, with vanity lighting to help you look your best. A sparkling Moen® faucet graces the solid surface countertop.

The Shower turns your daily routine into an indulgence. Try a water massage from the adjustable showerhead, bathed in light from the shower's skylight.

The **Bedroom Suite** beckons with acres of plush real estate, thanks to the Restonic® queen-size pillowtop innerspring mattress. An optional Sleep Number® air mattress lets you customize the firmness on each side independently (king-size optional in 40Q and 40T models). When you get out of bed in the morning, your feet will appreciate that first step on plush Fabrica™ carpeting – it feels as good as it looks. And hidden away behind handsome cabinetry is the optional Washer/Dryer Combo.

The **Lounge Area** is like your private den, complete with a comfortable chair. After you put your clean linens in the dresser, sit back and enjoy the bedroom entertainment center, featuring a 26" Samsung® LCD HDTV.

The **Cedar Lined Wardrobe** keeps your clothing well organized and wrinkle-free. Before you head out for an evening at the theater, review your outfit in the full-length mirror. Then give yourself a standing ovation!

## BEHIND THE WHEEL, YOU'RE ON TOP OF THE WORLD.

You're rolling down the road, free as a bird, sunlight glinting off the dazzling paint of your Providence. Passengers in the next lane gaze wistfully your way — it's yet another case of "Providence Envy." Be sure to wave from behind your expansive one-piece windshield, which provides an uninterrupted view of the horizon.

PROVIDENCE

The Color Back Up Monitor/Navigation System features rear and side cameras that allow you to check your towed vehicle and view behind it. The navigation system gets you where you need to go. It also features a satellite ready radio with an iPod® hook up, and bluetooth.

The Ultraleather™ Driver and Passenger Seats feature sleek lines and designer style with supple Ultraleather™ covering. But their real beauty is inside. They've been engineered to reduce fatigue during those long hours on the road with a Flexsteel® frame and adjustable armrests. The seats are heated to keep you cozy in the cold. The passenger seat includes a power footrest.

The 360HP Cummins® ISC 8.3L Engine powerfully pushes you over hills and through valleys with 1050 foot pounds of torque. It also has the muscle to tow a vehicle behind you for touring the nearby town.

The Ergonomically Designed Instrument Panel places all the controls at your fingertips. The large, backlit gauges are easy to read at a glance, even at night. And the Information Center continuously monitors your coach's performance on the road and even provides a pre-trip checklist for added safety.

Keyless Remote Entry lets you lock and unlock your Providence with the push of a button. It also turns a light on in the coach to help you see in the dark.

The Cockpit Area wraps around you to deliver a superior driving experience. The VIP steering wheel tilts and telescopes to suit your frame and features several key controls for added convenience. The drive flies by with an AM/FM radio with CD player and it's Sirius Satellite Radio® ready.

Power Visors and Side Curtains cut the sun's glare with the touch of a button, allowing you to make adjustments with precision. And when it's time for privacy, the visors extend all the way to the dash to close out the world.

# THE HIGH-GLOSS PAINT REFLECTS YOUR ELEGANT TASTE.

The light bounces off the highly polished paint, revealing Providence's ultra-smooth walls down the entire length of the coach. The full-body paint is carefully applied using a two-step process and DuPont® paint for maximum durability and undeniable beauty.

# A FULL-FEATURED BEAUTY.

In Providence, you'll find an abundance of standard features to make your life more convenient and comfortable. Here are just a few of our favorites.

- ① **Electric Awnings** for the patio and entry door provide a shady outdoor area to sip ice tea and enjoy the fresh air. And should the wind kick up when you're out on the links, the awnings will retract, thanks to the wind sensor on the main awning.
- ② **The Illuminated Entry Handle** glows from within, helping you to see at night and dramatically accents your coach.

- ③ **Stylish Chrome Heated Mirrors w/ Side Cameras** add sparkling flair, and stay warm to prevent dew or frost build-up for a clearer view.
- ④ **The Front Cap** exudes sophistication. The raised chrome logos highlight Providence's status.

Vehicle shown in Black Gold Scheme 2 exterior graphics.

- ① **Dual Air Conditioning Units** are mounted on top to maximize cooling efficiency, and create more room for storage below.
- ② **Storage Compartments** feature side swinging insulated aluminum doors. You can open the chromed, single paddle latches with one hand and the lighted compartment helps you to see your gear at night.

- ③ **High-Mounted Taillights** are easy to see, even over towed vehicles, to warn tailgaters away.
- ④ **4-Point Automatic Leveling System** levels your coach at the push of a button.

Vehicle shown in Black Gold Scheme 2 exterior graphics.

# GO OUT AND PLAY.

With Providence's plush interior, you'll be tempted to cocoon inside. But we've placed quite a few extraordinary features on the outside to coax you out to play. You'll remember why they call it the great outdoors.

**The Utility Compartment** is freshly redesigned, it lets you empty your tanks from one central place. Made of non-corrosive roto-cast with smooth radius corners it's easy to clean. It also features recessed storage area for gloves, chemicals, and cleaning supplies. Central location includes full coach water filter, water pump, water heater bypass and dual water fills.

**The Spot Light** illuminates the darkest night. Who needs the moonlight to play a game of gin rummy outside in the warm summer air? Use the wireless remote to easily move the spotlight easily.

**The Side View Cameras** are built right into the mirrors and transmit to the driver's area monitor. The cameras are controlled by the driver to help you see blind spots in the adjacent lanes. Once you're docked, they're handy for extra security.

**Diamond Shield** (optional) protects your paint finish on the lower front cap from paint chips and damage caused by road debris, bug acids and weathering. This clear, 8 mil. urethane film will preserve the beauty of your Providence for years to come.

**Exterior Grill and Kitchenette** (optional) extends to be an instant party-starter. Just throw on some juicy steaks, and you'll become instantly popular! Includes a propane grill, refrigerator, sink with hot and cold running water, storage areas, and even outlets for your margarita blender.

# POWER BRIDGE CHASSIS.™

## PART HERCULES, PART EINSTEIN. ALL YOURS.

It's strong. It's smart. And it's here to change the way you travel. Created with your every need in mind, the all-new Power Bridge Chassis brings you sleek engineering, a smooth ride and convenience like you've never imagined. Feast your eyes on storage compartments so big, you'll never have to unpack. Experience balance and handling so incredible, you'll never want the trip to end. With so many surprises built-in to every nook and cranny, it's the soul of the ultimate RV.

Harness the power.

**TURN ON THE WATERWORKS.**

With a super-sized fresh water tank, long showers are never in short supply.

**ALL ACCESS PASS.** An ingenious integrated raceway means quick access to electrical wiring and plumbing. This translates into easier maintenance for you.

**EASY RIDER.** Offering unparalleled strength, the Power Bridge Chassis has been engineered for an improved ride and handling.

**WASTE NOT, WANT NOT.**

The Power Bridge Chassis is more than just a well-oiled machine. Every available inch is configured to maximize your storage capacity – so you'll never want for extra space.

**OPEN AS THE ROAD.** Huge and versatile, pass through storage compartments let you pack items side to side, back to front, and even diagonally.

**Interlocking Ceiling-To-Sidewall Construction** helps keep the box square. This assures a proper cabinet fit.

**Interlocking Floor-To-Sidewall Construction** locks tightly to keep out water, dust and noise, and helps eliminate squeaks and rattles.

**Vacu-Bond® Sidewall Construction** creates a strong, weather-resistant structure. The sidewalls, floor and ceiling are Vacu-bonded to a durable metal frame, far superior to the pinch roll method our competitors often use.

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

**Pass-Through Storage** is new on Providence for 2009. This big space holds chairs, sports gear and more – and you can access it from either side of the coach.

The **Pull-Out Tray** (optional) keeps your smaller items together so they don't get scattered. It's a great place to stock your extra refreshments before they move to the refrigerator.

**Patio Storage Center** provides a place for your patio set-up tools or BBQ utensils. The storage center is equipped with both a 12V and 120V plug to recharge your flashlights or charge up that remote controlled car.

## THE MOST IMPORTANT FEATURE IN PROVIDENCE: PEACE OF MIND.

Fleetwood engineers have designed dozens of safety features into Providence. They've thought of everything from side view cameras to help you change lanes safely, to the safety inspection checklist on the information center monitor, to the four-wheel ABS air brakes. Combined with Fleetwood's superior construction, the result is a coach you can depend on for high quality and safety.

### Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus (OCCC) occupant and cargo carrying capacity.\*
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- Length is measured from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

- The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = Not available at time of printing.

\*UWV and OCCC are found on the label containing the federal certification tag in each RV.

**IMPORTANT — PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

## IMPORTANT--PLEASE READ

Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

## WHY FLEETWOOD?

### QUALITY

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

### TRUST

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

### PASSION

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

### SAFETY

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

### SERVICE

Help is nearby. When you need an upgrade or repair, you'll find Fleetwood dealers all across North America ready to assist you.

### WARRANTY

Exclusive RV ownercare warranty. See your Fleetwood dealer for details.
