PRESIDENTIAL SUITE

Independent front power landing jacks provide stability at the touch of a button.

Our tandem axles feature sealed bearings for maximum protection with no maintenance.

The triple entry step is mounted directly to the frame for the ultimate in safety and durability.

Dependable Carrier rooftop air conditioners with dehumidifier and remote control. Upgrade from a 13,500 BTU to 15,000 BTU unit on the travel trailer or add a second high-capacity unit on the fifth wheel.

BriteTek™ Roof lasts longer than the competition's and cuts down on black streaking.

Drawers and pullouts operate smoothly and stand up to years of wear and tear thanks to metal drawer guides.

* Weights may vary by options.

** Tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to safety shut off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans.
