

HOLIDAY RAMBLER®

This is Living

AMBASSADOR®

A BEAUTIFUL REFLECTION OF YOU.

Holiday Rambler makes it easy to take your style on the road. We offer a variety of decors – each as lovely as the next with rich fabrics, lustrous woods, eye-catching accents and stunning exterior graphics. So the problem isn't finding a look you like, it's narrowing it down to just one.

AMBASSADOR HARDWARE

Great design can be found in the details, like our stylish cabinet hardware with a satin nickel finish.

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

AMBASSADOR®

Alumaframe®

Aluminum
(Butt-Welded)

Alumaframe®
(C-Channel)

1 The Ambassador features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of interlocking aluminum H and C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

2 A steel cage cockpit gives the Roadmaster chassis incomparable strength and safety in the front of the coach.

3 Every Roadmaster chassis features a steel firewall for added protection in the cockpit.

4 Stacked aluminum intercooler and radiator for optimum heat transfer and cooling.

5 Dual fuel fill allows you to fill the tank from either side of the coach, for greater convenience and flexibility at the pump.

ROADMASTER RAISED RAIL RR8R CHASSIS

The 2007 Ambassador owes its remarkable performance to the Roadmaster Raised Rail RR8R Series chassis. You'll marvel at the seamless ride and handling that's only possible in a chassis that's designed exclusively for a luxury motorcoach and custom-built to the exact specifications of each floorplan. We invite you to take a few minutes and discover all the ways Roadmaster offers you the very best in safety, reliability, comfort and convenience.

9-LAYER ROOF (top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

6 Eight outboard-mounted air bags work in conjunction with eight gas-powered shock absorbers to prevent road trauma from ever reaching the coach.

7 This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity, as well as the convenience of pass-through storage. To prevent corrosion, the structure is pre-primed and coated with rust-inhibiting paint.

8 Monitored leveling sensors continually adjust the air pressure at each axle to maintain a level ride and eliminate nosediving, weight transfer and floating on curved roads. This system also stabilizes the coach on uneven surfaces.

9 The exclusive raised rail design provides for larger full pass-through storage bays with flush floors. Other features include a 3/8" thick frame rail — compared to the 1/4" of other manufacturers.

10 A 10,000 lb. tow hitch rating is the highest in its class.

11 The Ambassador features a gutsy standard Cummins® ISC 330 diesel engine with Allison® 3000 MH 6-Speed World Transmission and electronic shifter.

SLIDE-OUT CONSTRUCTION

When you purchase a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

5-LAYER EXTERIOR WALL (left to right)

- Gel coat fiberglass
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation glued in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam saves energy and provides a thermal insulative barrier
- Interior paneling

5-LAYER FLOOR (top to bottom)

- Structurwood™
- 1-1/2" x 1-1/2" square tubular frame
- Blue foam
- Luaun
- Darco

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your Owner's Manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

THE POWER BEHIND THE NAME.

At Holiday Rambler, every one of our RVs shares something special – something that’s hard to describe, but easy to recognize. It’s that unique touch that makes Holiday Rambler stand apart. It’s our complete dedication to quality at every level – from the designers who create unique looks to the craftsmen who apply the finishing touches. It’s our unbeatable service, which gives you 24-hour availability, 365 days a year. It’s a commitment to safety and a tradition of innovation. And finally, it’s the best people in the business. The Holiday Rambler difference. It’s in every RV we make – including yours.
