LOTS OF CHOICES — EVERY ONE A WINNER.

Holiday Rambler's Savoy is all about choice. Travel trailer or fifth wheel? LX or the super lightweight SL model? You make the call. One thing you can be sure of is, regardless of which you choose, you know you're getting a quality RV from a name you trust — Holiday Rambler. So the choice really comes down to preference. Both the LX and SL models feature laminated wall construction for durability without added weight. While the LX is long on amenities and options, the lighter weight SL offers charms all its own. So take your time and choose the model that's

right for you, because once you decide to go with the Savoy, there's no chance of making a bad choice.

The Savoy brings the comforts of home on the road with cozy swivel back chairs, a sleeper sofa and a queen bed. Entertainment isn't a problem with the optional home theater with a captivating surround sound system.

Standard day/blackout shades on all models provide privacy and block out light for those who prefer to sleep in.

WHO SAID ANYTHING ABOUT ROUGHING IT?

The 2007 Savoy accommodates your every need. Just take a look at this gorgeous and practical kitchen complete with vintage oak cabinetry, a touch-control microwave and a Wedgewood high-output 3-burner range with oven. And because no one wants to spend vacations cleaning and scrubbing, the Savoy features easy-to-clean linoleum, a deep double-bowl sink with high-profile double handle faucet and sturdy laminate countertops. Or choose the standard Corian® edge countertops with optional extensions in the LX, for even more room for meal prep.

The fashionable neo-angled shower with glass door is now standard in all Savoy models. The bathroom also features a handy medicine cabinet with mirror.

Sleep comfortably on a spacious queen-size bed. The bedroom also makes it easy to keep everything in its place with a large, mirrored closet (on select models).

The Savoy SL fifth wheel's lightweight construction makes it easy to tow without sacrificing quality or style.

Savoy's system control panel monitors water tank levels and battery charge. It also houses switches for the water pump, gas water heater and electric water heater — all in one place.

Drawers and pullouts operate smoothly thanks to metal drawer guides. What's more, they'll stand up to years of wear and tear.

From cleaning hiking shoes to rinsing off after a dip in the lake, the outdoor shower feature with hot and cold controls is a welcome convenience.

Stay cool and comfortable with the dependable 13,500 BTU Carrier rooftop air conditioner. You can also upgrade to the more powerful 15,000 BTU Carrier rooftop air conditioner complete with dehumidifier and remote control.

Savoy's Super Lube Axles provide easier packing of your wheel bearings.

The triple entry step is mounted directly to the frame for the ultimate in safety and durability.

THE HOLIDAY RAMBLER ADVANTAGE COMES STANDARD.

The Advantage Package combines a series of features that ensure you get the most out of your Savoy.

- Heated, Enclosed and Insulated Underbelly
- Glass Shower Door
- Tinted Windows
- 13,500 BTU A/C with Dehumidifier and Remote Control
- Microwave with Touch Control
- Centralized Exterior Water Management Center with Outside Shower

**BETTER
STAIN
PROTECTION**

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

NEW VINTAGE OAK

SAVOY HARDWARE

Our cabinet hardware features an elegant yet durable brushed nickel finish.

SLIDE-OUT:

When you purchase a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. In addition, the actuator has a mechanical room lock that is built in, and there are adjustable built-in stops for in and out positions.

- A** Bearing packs are bolted in 4 places, locking the gear and rack in place.
- B** A manual crank and extension rod comes standard with every unit, to serve as override if needed.
- C** Actuator motor is positioned to provide smoother movement and reduce twisting on the slide-out room.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the towable's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

THE POWER BEHIND THE NAME.

At Holiday Rambler, every one of our RVs shares something special – something that's hard to describe, but easy to recognize. It's that unique touch that makes Holiday Rambler stand apart. It's our complete dedication to quality at every level – from the designers who create unique looks to the craftsmen who apply the finishing touches. It's our unbeatable service, which gives you 24-hour availability, 365 days a year. It's a commitment to safety and a tradition of innovation. And finally, it's the best people in the business. The Holiday Rambler difference. It's in every RV we make – including yours.
