ENJOY THE VIEW.

The Holiday Rambler Next Level has taken care of everything. A) The 42" LCD TV mounted above the entrance door along with the flip up island bar, helps to turn the living area into a social gathering space for all your family and friends. The uniquely smart sliding tables make getting in and out of the U-Lounge very easy, and are designed to be stored in it's base out of the way allowing for more living space. Once stored the U-Lounge becomes a perfect resting spot to enjoy a movie or family videos of the days events. B) The optional sliding glass door and the easily accessible loft allow for a more functional floor plan design. C) Depending on what your day's events call for, the optional 20" LCD flat screen TV in the bedroom can also be mounted in the cargo area and in the basement for alternate viewing locations.

EXCITING EXTERIORS. CLEANER INTERIORS.

The Holiday Rambler Next Level is the toy hauler designed specifically to take you and your family's adventures to the Next Level of enjoyment. Get out there, kick up some dirt, then come home and relax and share the day's events in comfort. A) To minimize the clean up duties the optional built in vacuum helps keep your floors clean. All areas including the kitchen, bedroom, as well as the cargo area can easily be reached. B) The large radius shower with glass enclosure allows you enough room to thoroughly clean off the dust, sand and dirt from any adventure. C) The 40SKT's ergonomically designed kitchen gives enough storage and countertop space to take along the necessary supplies and refreshments to keep everyone nourished so they can recover and as well prepare for another adventure.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.
