

2010 Motorhomes by Jayco

Jayco

AMERICA'S MOST LIVEABLE RVs.

2010 MELBOURNE

Easy Driver

The

DURABLE

Melbourne features TuffShell™ vacuum-bonded laminated sidewalls, TuffShell™ fiberglass roof with radius corners and a steel-truss floor system for long-lasting toughness.

MELBOURNE®
2010 Motorhomes by Jayco®

LIVEABILITY MEETS TRANQUILITY

perfect fit.

In today's "anything goes" society, it's nice to know there are still some things you can depend on. Like the 2010 Jayco Melbourne, for instance. Designed for people who love to travel, Melbourne's smaller, more manageable size and responsive handling make it perfect for any situation, from city streets to steep mountain passes. Every detail of the Melbourne—from the materials we use to our construction techniques—was selected for how they ultimately fit together. And how they fit your life. Perfectly.

POWERFUL

With a five-speed automatic transmission with overdrive, a Triton® V-10 305 HP engine, and a 5,000-pound towing hitch, Melbourne gives you the confidence to tackle the road ahead.

MANEUVERABLE

Built on a Ford® E-450 chassis, and featuring power anti-lock brakes, power steering and cruise control, Melbourne makes it easy to go just about anywhere.

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

MELBOURNE 29D | DESERT WITH PROVINCIAL GLAZED MAPLE CABINETRY

BETTER BUILT FOR BETTER LIVEABILITY.

Everything about Melbourne is meant to enhance the RV lifestyle, from its flexible floorplans, with sleeping for up to four adults, to its time-proven construction techniques. High-end features, such as Northridge Maple cabinetry, hidden cabinet hinges, a 26" digital LCD HDTV, and recessed halogen lighting, come standard on Melbourne, making it the perfect combination of form and function.

SERENE

With a deluxe pillowtop Cloud Ten™ mattress, quilted bedspread and padded headboard, Melbourne's bedroom is the picture of serenity.

SMART

The kitchen's designed to make mealtime a breeze, with modern appliances, ample storage and a cook-friendly layout.

PRIVATE

Relax in Melbourne's private bathroom with a shower, skylight, mirrored wooden medicine cabinet and an optional glass shower door.

Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

FLOOR

Vacuum bonding joins our welded aluminum frame with a heavy-duty Structurwood® floorboard to create one of the strongest foundations in the industry.

WALLS

TuffShell™ vacuum-bonded lamination combined with welded aluminum frames and metal backers create a durable structure designed to withstand use and travel.

ROOF

The laminated, vacuum-bonded roof is comprised of 1/4" plywood decking on 5" arched aluminum trusses with bead-foam insulation (R-23) and a seamless one-piece fiberglass shield that protects against moisture and resists aging.

Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

Jayco liveability

At Jayco, it's always been about liveability.

COMMAND CENTER

Control all your generator and slideout functions from one convenient interior location.

DRAWER GUIDES

New ball bearing drawer guides provide smooth operation and full-drawer extension.

SLIDEOUT AWNINGS

Multiple slideout awnings offer added protection from weather and aging.

DUAL-USE SOFA

Your guests will love the Optima leather comfort lounger that doubles as a luxurious sofa with a 54-inch sleeping area.

PREMIUM PAINT (OPTIONAL)

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable.

Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1 YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
