The Salem 26TBUD seen below is a professionally designed travel trailer that is spacious, full of storage and residential amenities. Notice the U-shaped dinette that not only has seating for more but has a large storage drawer under the seat for additional storage. The large picture window, the glass inserts in the overhead cabinets add a touch of class to an outstanding family floor plan. The sofa is elegantly designed with arm rests, and pillows. Below the seat is a large or two large storage drawers making it the perfect place for extra blankets or pots and pans! This family oriented floor plan has all that you could ask for. The Salem line of Travel Trailers and Fifth Wheels are definitely Designed for You!

## Salem introduces the CABIN EDITION...

Experience camping a whole new way with Salem's Cabin Edition! This exciting new option captures the very essence of the Great Outdoors by outfitting the interior of the coach with real cedar paneling, locking in that distinct aroma and rustic look you won't find anywhere else in the market. Whether you're traveling around North America or parked in your favorite campground, you can now have that cabin oasis wherever you are.

Towability and comfort are the inspiration behind Salem's lineup of fifth wheels. With your desires in mind, we offer several floorplans that are half ton towable while still providing the features and amenities you've come to love. Our fifth wheels also boast designer interiors, and a plethora of storage capacity highlighted by an uninhibited and clean Pass-Thru storage compartment, allowing you to bring whatever you might need for long or short term stays at your favorite destinations.

YOUR SALEM DEALER

## Forest River Encourages You to Buy Locally

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
- Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.
- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
