INTERIORS

3125RT Bathroom

Camel Interior Option

In its class Blue Ridge offers an incomparable value. Remarkably stylish and durable, this mid-priced RV offers you the amenities of a luxury RV at a great price.

The galley boasts Corian® counter tops, a microwave, three-burner cook top with oven, and abundant storage.

Combine that with the contemporary design of the optional free standing dinette and the sofa area in the large slide out, and you will see why Blue Ridge is setting a new standard in mobile living.

With four versatile floorplans to choose from, you are sure to find one that's right for you.

The custom interiors are well engineered, yet still warm and inviting. Choose Blue Ridge and choose affordable luxury.

Great features you will find on the Blue Ridge series include: [1] A rounded wall that leads up to the master suite, complete with it's own door to the lavatory. (3125RT Only) [2] Convenient lighted docking station that includes a shower, easy access whole unit water filter, cable and satellite jacks, dump valves and tank flush system connection. [3] Washer/Dryer hook-up in the closet of the master suite. [4] Easy to clean porcelain foot flush toilet(s). [5] Real Corian® counter tops in the kitchen area, a true high end residential feature. [6] Optional 32" Flatscreen LCD/HD TV in the bedroom. [7] The Blue Ridge command center allows you to easily monitor your tanks, batteries and other unit systems. [8] Large pass-thru storage area with no skid rubber flooring and full size spare tire.

These are just a few of the high end features that are available on the Blue Ridge. Contact your local dealer for a complete list of standards and options, and to take a tour of the Blue Ridge to experience all that it has to offer.

PRE-DELIVERY INSPECTION FACILITIES

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE.

THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every new Blue Ridge customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

Forest River Encourages You to Buy Locally

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
- Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.
- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
