

2014
ESSEX
Luxury Motor Coach

2014 Essex

How to make a statement
without saying a word.

Those who treasure timeless elegance will appreciate the craft and care that goes into every 2014 Essex. Only Newmar could combine this level of beauty and brawn into a single superlative luxury package. The exterior literally gleams from within, thanks to Newmar's exquisite Full-Paint Masterpiece™ Finish. Inside are all the lavish standards others call extras. And underneath it all you'll find 500 horses of diesel-power ready to tame any challenge.

WHEN YOU KNOW THE DIFFERENCESM

Essex Exterior
Floor plan #4553 in Spice Exterior

The Complete Package

Essex delights and excites with the ideal marriage of style and performance.

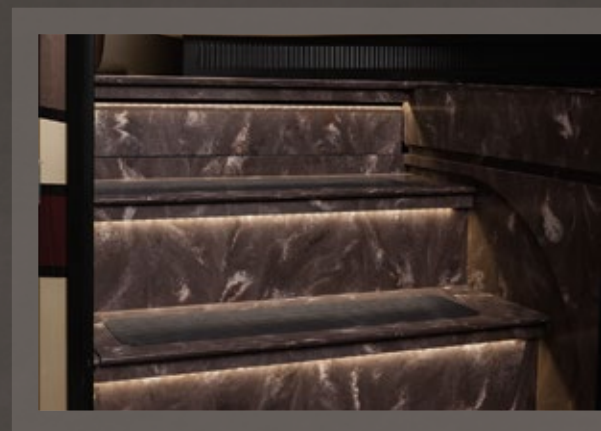

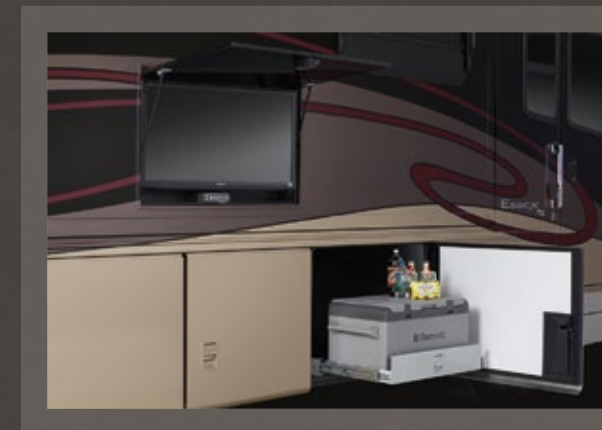

Bask in the glow of something special.

A tour of everything the 2014 Essex has to offer is truly an illuminating experience. LED lighting from the standard Girard® NOVA awnings, from beneath the slide-outs, and even from underneath the stairs, combine to create an atmosphere suffused with warmth and welcome. Perfect for those times when you'll want to enjoy the Sony® entertainment system ready to be unveiled behind an exterior panel.

Other hidden talents abound, including enhanced-height storage with power-assist compartments* and access to the standard Dometic exterior freezer.

Comfort Drive™
STEERING

Features at a glance:

- Spartan® K2 Tag Axle Chassis with 500HP Cummins ISX Engine
- Comfort Drive™ Steering with power control
- Cummins Onan® Quiet Diesel™ Generator
- Freightliner® Chassis with 500HP Dd13 Detroit Diesel Engine*

Spartan Chassis is a leader in the design and engineering of components which deliver superior performance and exceptional safety ratings.

*Optional

Essex Interior
Floor plan #4553 with Matrix Décor Style and Sable
Maple Cabinetry – Crafted to Satisfy.

We never compromise. Neither should you.

The Essex interior projects an undeniable sense of well-being and welcome. Newmar's dimensional cabinet surfaces add a natural flow to the environment, which is admirably accented by decorative walls of real slate and porcelain floor tiling with metal inserts. Sculpted toe kicks and decorative cabinetry feet help underscore the fine furniture appeal.

The kitchen is nothing less than a delight. Here you'll find residential-class appliances and fixtures, a one-piece stainless steel designer sink that's obligingly deep, and a new all-glass wave pattern backsplash that boasts an attractive glow courtesy of hidden LED illumination.

Features at a glance:

- Polished solid surface countertop with curved single bowl stainless steel sink
- Sable Maple glazed hardwood unitized cabinets
- Whirlpool® bottom freezer French door refrigerator with icemaker and water dispenser
- Polished porcelain floor tile in kitchen, bathroom and living areas

The Essex Kitchen ▶
Livable luxury designed around your needs.

Myriad ways to make yourself comfortable.

When it comes to ways to relax and unwind, Newmar leaves nothing to chance in the 2014 Essex. With its two-toned accent treatment and nail-head trim, the newly designed plush Ultra Leather furniture catches the eye and calms the spirit. Luxurious Villa seating for both driver and passenger swivel to let you join the crowd, and even the power-adjustable dinette provides a comfortable wraparound ensemble.

And while you're sinking into your seats, your entertainment is rising to the occasion, with a 46" Sony® televator appearing on command, backed by booming Sony® surround sound powered by Bose® speakers.

Features at a glance:

- Sony® 46" LED HDTV on televator*
- Ultra Leather dinette ensemble with powered adjustable table*
- Power duo day/night privacy window shades
- Villa sofa and driver/passenger seats with driver power footrest

* Optional

Center of Attention ▶

Features like a power footrest on the driver recliner are among Essex' comfortable touches.

A level of comfort others only dream about.

The Essex master bedroom is where you'll find both quiet solitude and solid craftsmanship, with special Newmar touches in every corner. Striking inserts of Melacore laminate give selected models the option of a backlit headboard with panels that slide to reveal outside lighting. Topped with a velvet quilted spread, the king size Sleep Number® bed gains added finesse from trims and a faux fur bed scarf.

Completing the room's distinctive look is a serpentine front base cabinet which has room for all the essentials of a lifestyle of leisure. Who says you can't take it with you?

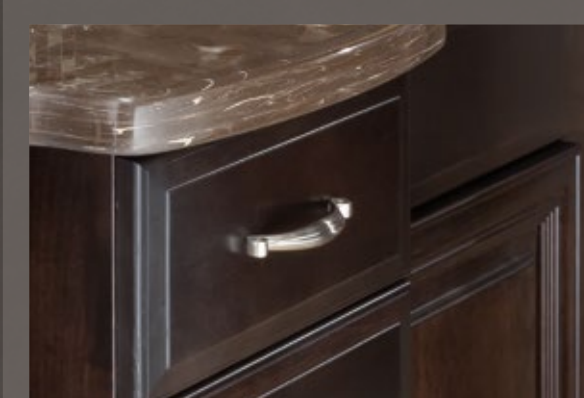

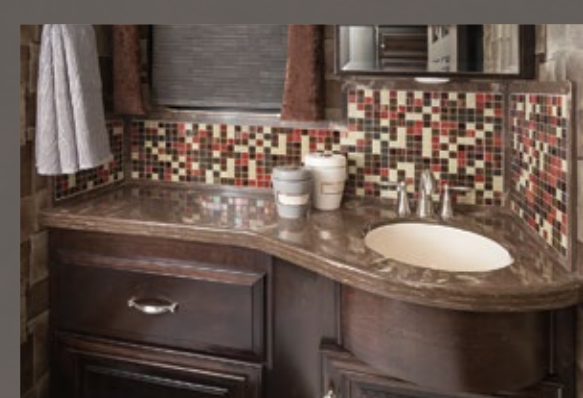

Features at a glance:

- King size bed with Sleep Number® control mattress
- Sony® 40" LED HDTV with Blu-Ray® player
- Bose® Wave radio with CD and alarm
- Silverleaf® multiplex control system

Every Night is Special ▶

You'll be enveloped in style when you retire to the Essex bedroom.

A clean break from the expected.

Functional beauty is a hallmark of Newmar quality. And nowhere is it more on display than in the new master bath of the 2014 Essex. The large 40" x 32" residential shower now includes floor-to-ceiling gradated tiling, color-customized to match the specific décor of your floorplan.

You'll also enjoy the polished solid surface double vanity with room for two, plus the extra half bath for extra guests. With Newmar, you're showered with all the amenities you could ask for.

Features at a glance:

- Wall to wall and floor-to-ceiling gradated tiling
- Demand water system
- Dual solid surface bathroom vanity sinks with gradated tile backsplash
- Fold down teak shower seat*

◀ **Left:** A polished solid surface double vanity is ideal for couples.

◀ **Right:** Clear glass shower enclosure with wall-to-wall maintenance-free tile.

*Optional

Essex Interior
Floor plan #4557 with Ventura Décor Style and Ginger Glazed
Cherry Cabinetry – A Kitchen That's Fashion-Forward.

Essex
No.

New choices. Fresh possibilities.

New floorplan choices, including quad slide-out options and configurations with full wall slide, offer even more reasons to make Essex your must-have in a luxury coach. A front kitchen option, for example, now allows the ultimate in residential character, with a huge galley that includes a roomy dinette and an appealing window overlook of your patio area.

At nightfall, close the two-tone Power Duo shades and step into the expansive living room where your guests are gathered around a Sony® entertainment center above and fireplace below.

Features at a glance:

- Designer feature ceiling
- Ginger Glazed Cherry hardwood cabinets with high-gloss finish
- Power silhouette window shades*
- Villa Extenda Flex dinette*

Extras that make all the difference.

Why do Newmar owners feel so taken care of? Perhaps it's because coaches such as the new Essex have been designed to anticipate their every need. Such as the need for versatile space. Essex now includes the ingenious option of a power-adjustable bed that adapts to sofa seating, effectively turning a bedroom into a den for visitors.

The royal treatment for guests continues in the well-appointed half bath that includes a full vanity sink, plus gorgeous Newmar cabinetry and a backsplash designed to match the rest of your cabin's high-end décor.

Features at a glance:

- Power bed/sofa base with Sleep Number® premier mattress*
- Polished solid surface half bath counter with single sink
- Electric heat under floor tile*
- Sunforce flexible solar panels on roof*

ESSEX CONSTRUCTION

The Spartan® K2's strong chassis with 20,000 lb. IFS (Independent Front Suspension) is the highest performing motor coach ever. Its tubular truss web frames and substructure beams form a foundation stable enough to allow extensive pass-through storage. This – and Essex's GVWR of 52,000 pounds, with a 12,000 pound tag axle, allows Essex to expand beyond its chassis footprint, creating extra living space. Its Cummins® 12 ISX 500 Hp engine gives you incredible maneuverability and power, even on steep inclines.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motorcoach as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

*Specifications supplied by the chassis manufacturer.

Trust.

The strongest possible foundation for a motor coach.

According to Newmar president Matthew Miller, "Customers say they're loyal to us because they trust us to stand behind our products – from support, parts and service to paying our warranties. It feels good to own a coach that has all of that behind it."

How do we sustain this high level of service? At Newmar, there's a Miller way of doing things. These principles guide us every day. Courtesy. Integrity. And reliability. So when you buy from Newmar, you know that every single person who touches your coach or talks with you has your back. Period.

Our Partners.

Where the finest names in quality and performance are along for the ride.

Newmar strives to offer the best motor coach experience possible, and to that end we partner with the most prestigious names in mobile lifestyle, entertainment, and technology. Depending on the Newmar motor coach you choose, our compliments range from Sony's comprehensive audio, video, communications and information technology to Freightliner and Spartan's superior and dependable chassis designs. Newmar only accepts best-in-class performance from the most trusted names in the business. At Newmar, that's our difference. And our promise.

SONY

NEWMAR EXPRESS LIMITED WARRANTY

Every Essex Diesel Pusher is backed by Newmar's one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

LIMITED FIVE-YEAR STRUCTURAL WARRANTY

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase because of faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

Some features in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floorplans are subject to change at Newmar's discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.
