# Jay Flight Swift

TRAVEL TRAILERS BY JAYCO

AMERICA'S MOST **LIVEABLE** RVs.

# Jay Flight Swift

The new Jay Flight Swift offers all the essentials at a price that makes camping in style even more affordable, featuring:

- 2-year industry-leading Co-Pilot warranty
- Real-wood cherry cabinetry throughout
- Electric slideouts with enclosed tub for wiring and gears
- Aerodynamic front profile and skirting
- Ball bearing drawer guides throughout
- I-Class structural I-beam frame
- Galvanized-steel wheel wells
- 13,500-BTU air conditioning (Customer Convenience Pkg.)
- 312-coil innerspring mattress with 1" padding

## ↑ LIVEABLE FEATURES

### RESIDENTIAL KITCHEN

Enjoy home-cooked meals in Jay Flight Swift's modern kitchen, complete with real-wood Concord Cherry cabinetry, 3-burner range and residential-style sink.

### BRAND-NAME TIRES

Towing's a breeze thanks to Swift's 15" radial tires, while galvanized-steel wheel wells protect the trailer.

### ROOM TO REST

Sleep the whole family with a queen-sized bed, bunk bed arrangement, sleeper sofa and convertible dinette.

## ↑ CERTIFIED GREEN

All Jayco products are green certified by TRA Certification Inc., an independent, third-party certification agency. Jay Flight earned gold certification through the use of sustainable materials, environmentally-friendly production methods, energy-efficient components and reduction of waste.

## ↑ JAYCO CONSTRUCTION

### FLOOR

Jay Flight's floor features  $\frac{5}{8}$ " tongue-and-groove plywood with 2"x 3" floor joists and R-7 fiberglass insulation.

### WALLS

The walls consist of 2"x 2" wood studs, .024 aluminum exterior siding and R-7 fiberglass insulation.

### ROOF

Our roof combines wood rafters with 4- $\frac{1}{2}$ " arched trusses,  $\frac{3}{8}$ " plywood decking, a one-piece seamless rubber membrane and R-7 fiberglass insulation.

AMERICA'S MOST **LIVEABLE** RVs.

WARRANTY

## INDUSTRY-LEADING WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

## OVER 300 LOCAL DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

## 1-YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

### Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
