Rockwood Mini Lite ETC Series

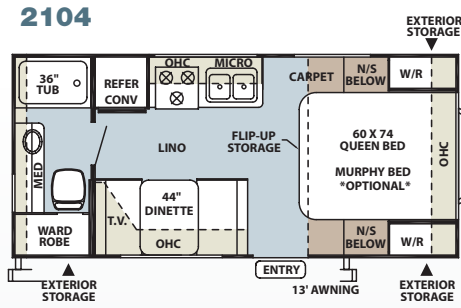

The Rockwood Mini Lite ETC is unique in it's class.

It has a long list of standard features including a full size regular awning, 13,500 AC, LED exterior lights, Euro Style Jalousie windows, full size furnace and much, much more. With all of these features included, the ETC is still towable by a small SUV or Mini-van making this trailer a perfect fit.

Mini but mighty. The Mini Lite is here.

Mini-lite trailers are excellent for those who want to move from the tent camper to the lightweight towable. The light, small compact design was created for families driving vans and small sport utility vehicles. With residential amenities and excellent features, you're sure to enjoy the Mini Lites

The 2109S. A Mini Lite with maximum storage.

Rockwood takes careful consideration to each feature added into each product produced. Every detail is considered ranging from extra sleeping room, storage, comfort and convenience.

Take time to review the features listed below and match them with the competition's products. We're confident you'll discover Rockwood the superior choice.

- F** Heated Innerspring Mattresses (Std. Opt.)

Rockwood takes pride in constructing the very best products possible in each price point. From our entry level units to our top of the line products, no short cuts are taken to achieve excellence.

Where some may staple their cabinets together, we glue and screw each piece together ensuring a lasting fit. Rockwood drawers never bend under

the weight of their contents. The full extension metal drawer guides not only open and close smoothly but will last far longer than the competition's plastic version.

From the all-steel I-beams to the residential interior amenities to the vacuum bonded exteriors, Rockwood products are quality-built from the ground-up.

Rockwood Construction Features

A

B

C

D

E

F

- A** All Steel "1" beam frame construction (Most Models)
- B** Glued and screwed wood cabinetry
- C** Aluminum dinette frame with storage
- D** ALKO® AXLES AND EASY LUBE HUBS
 - Four wheel independent wheel suspension.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2011 Rockwood customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

ROCKWOOD WARRANTY INFORMATION

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it has when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty,
2. Two-year fiberglass warranty,
3. Five-year axle warranty,
4. Five-year tent warranty,
5. One-year bumper to bumper warranty,
6. Available second-year warranty

FOREST RIVER'S HALLMARK OF EXCELLENCE PRE-DELIVERY INSPECTION FACILITIES

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE. THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufactur-

ing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

FOREST RIVER ENCOURAGES YOU TO **BUY LOCALLY** FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- 1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- 2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

6) Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
