

# **Toyhaulers**

New for this model year are the Wildwood X-Lite Toyhaulers. These are unlike any other Toyhaulers. Not only are they lightweight and easy to tow, but they can fit into tight spaces taking you off of the beaten path and to your next adventure. The innovative design features an optional TV that can be placed either inside or outside of the unit and viewed from many angles. Let the X-Lite Toyhauler take you and your toys to the action. Great for hunting, fishing, off road vehicles, bikes and good old fashioned fun. This value driven toyhauler gives you everything you need at a great price. Available in the 18 XL (Shown) or the 22 XL.

The X-Lite Backpack Edition option gives you plenty of exterior storage, and folds up and out of the way when it's not in use.

Back Pack Edition Option Package Includes: Bedspread, (N/A 17 EX), Flip Down Rear Cargo Hauler (N/A 14 FD or Toyhauler Models), 13.5 A/C (non-ducted), Awning, Microwave, and Exterior Speakers.

## PRE-DELIVERY INSPECTION FACILITIES

#### THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE.

#### THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

#### Forest River Encourages You to Buy Locally

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

• Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.

• Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and

as they would their own.

• Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

other Forest River customers who are traveling away from their local dealer

- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- For our Canadian customers, there are also requirements which must be
  met to bring an RV purchased out of the country to their home. Although not
  insurmountable, these requirements may involve such things as additional
  inspections and certifications, taxes and fees. Your local Canadian Dealer is a
  professional at meeting these requirements.

Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.

# PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every new Wildwood X-Lite customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.
