A Life Well Rewarded

Leisure Travel Vans Ltd.

Leisure Travel Vans has been the leader in Class B innovations for over 25 years. It has been an adventurous journey filled with great memories. With an eye on the future we have kept up with changing times, by instilling a tradition of building one of the most innovative and highest quality motorhomes on the market today. By focusing on satisfying a culture with an attention to detail, we have created one of the best performing and comfortable units on the market.

The versatility of the unit is a paramount feature. You no longer have to consider alternate transportation scenarios when going shopping where parking is at a premium. The restrictions placed on full sized motorhomes at attractions, festivals etc, are a thing of the past. In addition, all the features that the consumer demands of the larger units, have been accommodated and carefully engineered to perfectly fit the Leisure Travel Van.

Free Spirit

The Free Spirit is the standard by which all other Class B's are measured. We suggest that you comparison shop, and we believe that you will undoubtedly see that a Leisure Travel Van will exceed your expectations.

Daimler
Chrysler
Approved

Achieved Daimler Chrysler Approval

Leisure was the first Class B manufacturer to be given the Daimler Chrysler official stamp of approval. Having experienced first hand, Daimler Chrysler Engineer's attention and commitment to quality, LTV will be proud to follow in their footsteps.

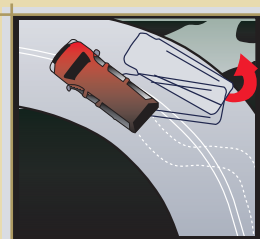

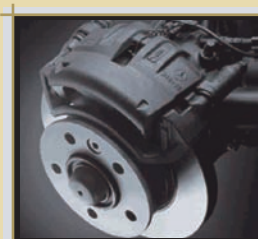

DAIMLER CHYRSLER SPRINTER CHASSIS

The Sprinter chassis is powered by an amazingly quiet 2.7 litre Turbo charged Mercedes Benz, 5 cylinder Diesel engine, with common rail direct injection. An impressive 25 gal fuel tank gives you a range of 550 miles with an estimated 22 (US) mpg. Oil changes are required every 10,000 miles with maintenance intervals at every 20,000 miles. The Sprinter combines long life, low maintenance costs and better fuel efficiency, with the smooth, clean quiet performance not typically expected from diesels. **The Mercedes Benz engine** generates 154hp@3800 rpms and 254 lb-ft torque@1600-2400 rpms.

CHASSIS SAFETY FEATURES

All units are equipped with 4-wheel disc brakes and 4-wheel ABS for improved steering control under extreme braking and/or slippery conditions.

Other safety features include:

- * Driver & passenger air bags
- * Seat belts with pretensioners for driver and front passenger
- * Electronic brake distribution
- * 3 point seat belts for all passengers
- * Electronic Stability program (ESP) Helps reduce the danger of skidding while helping the driver handle critical situations more effectively.

COMFORT & LUXURY

Choose from the warm interior colors, supple ultraleather, luxurious "oak" flooring and **Flexsteel Series Power 5 / Swivel / Ultraleather seats** which offer a truly unique environment. In addition, an attractive **wood dash and panel inserts** option, and an entertainment package is available with a **17" portable flat screen TV with swing out arm, DVD/MP3/CD player, antenna and exterior TV mount.**

The Free Spirit also has the ability to sleep up to 3 people and carry 6 people, with the **3 sleeper (3S) 210A and 210B**. A 3rd seat is placed in lieu of the corner cabinet on the passenger side. This seat with seatbelt has been tested and approved.

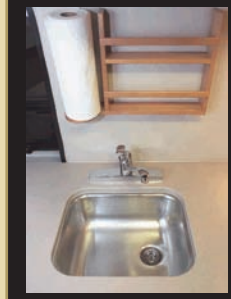

INNOVATIVE FEATURES

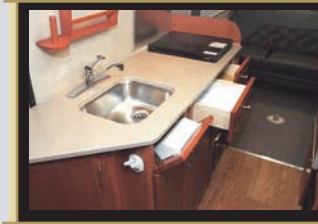

Free

Appliances include a **microwave**, **refrigerator** and **portable coffee maker**. Next to the kitchen area is a large **wardrobe closet** (210B).

Conveniently located in the kitchen area is the **spice rack with paper towel holder** (210B) & **stainless steel sink** with a Eurostream faucet.

The space under the counter is utilized with a **tip out tray** under the sink and an extra **drawer** under the stove.

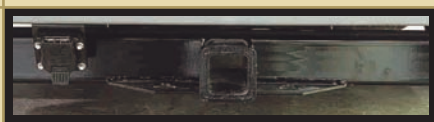

Centrally located **Information & Command Center**

The option of **swivel seats** for the driver and passenger are available. Feel at ease knowing they were tested and exceed **FMVSS Safety Standards**.

A great edition to the Free Spirit is the pull out **pantry** with ample space for food storage (210B)

LTV is the only manufacturer to offer the **rear bumper** with a Class 3 Certified **trailer hitch**.

The kitchen **corner cabinet**, located by the sliding door, is standard on the 210B (as picture shown) and an option on the 210A.

The option of the **rear electric sofa** with seatbelts for 3 passengers is easily converted from a sofa to a bed with the push of a button.

With ease, use the Hassle Free **Dump System** with dumping components.

Spirit

INNOVATIVE FEATURES

The Free Spirit has a **drop step running board** for your convenience.

Exclusive to LTV is the **basement storage** located in the rear floor accessible from the interior or exterior of the van.

A standard feature is the **exterior shower** with hot and cold water for added versatility.

The **17" Flat Screen TV** on a swing out arm with **DVD/M P3/CD Player, Winegard Crank Up Antenna** and exterior TV mount is available for your viewing pleasure.

Your direction & the outside temperature are determined with the **Compass/Thermometer Rear View Mirror**.

The Suburban **16,000 BTU furnace** with **Digital Climate Control** is designed to fit your comfort needs. Installed for your safety is the **Carbon Monoxide Detector** and for convenience is a **Telephone/Internet Connection**.

Another great feature is the **drop down tire carrier** with a **molded tire cover, license plate holder and light**. Available only with the basement storage.

The space saving wet bath has everything you need with a **toilet, hand held shower, flip up sink, & table** (210A & 210B) in addition a **medicine cabinet** with mirror (210B).

Flexsteel Series Power 5 Swivel/Ultraleather seats which offer a truly unique environment.
