## Bambi Travel Trailers

*Designed to be light enough for a compact car to tow, Wally Byam introduced the Bambi in 1961. Over forty years later, the Bambi is still going strong.*

The most versatile, popular and diverse travel trailer in the Airstream family. There are 16' and 19' Bambi floorplans with four distinctive lines: **Safari**, **Safari Special Edition**, **International CCD** and the all-new **75th Anniversary Edition**. Everything developed at Airstream has been concentrated within the Bambi: it's lightweight, compact, maneuverable, completely self-contained, and equipped for your dynamic lifestyle, with interior décors to suit everyone's tastes. You won't believe how many features are packed into Airstream Bambis, while still leaving plenty of room to relax.
