“Happiness is everywhere we go.”
SMILE, YOU’VE ARRIVED.

The waiting is over. The coach of your dreams has arrived. The 2009 LaPalma. Lavishly equipped with high-end features, this coach is everything you’ve wished for, and then some. With new full-body paint and painted graphics for longer lasting beauty. Side-hinged baggage doors for easier loading. State-of-the-art LCD televisions, including a widescreen model in the bedroom. And luxury options like a three-camera LCD rear vision system and dual A/C with energy-saving heat pumps. Ahh yes, life is good.
It’s been a long time coming. But suddenly, everything in life seems easier. You’re struggling less. Smiling more. Having the time of your life. You’re driving a LaPalma. Finally, you realize that happiness is not so much a place to be found as a thing you carry with you. A state of mind. A freedom to relax and enjoy yourself. A willingness to embrace whatever’s waiting on the next horizon. And as long as you’re seeing the country in one of the finest coaches on the road, you’ll always be in a happy place.
LaPalma’s roomy storage bays feature side-swing doors and full pass-through compartments that are just right for larger items. Compartments are made of one-piece polyethylene for quick and easy wash-downs.

Roadmaster RSR Rail Chassis

With the LaPalma Diesel, you enjoy the added assurance of knowing you’re riding on a Roadmaster RSR Rail chassis. All Roadmaster chassis are custom designed and built to the exact specifications of each floorplan for best-in-class performance, safety and comfort. The smooth-handling RSR chassis is teamed here with a Cummins® ISB-AD 340 HP rear diesel engine for a powerful diesel pusher package that’ll take you anywhere you want to go in style.

Our exclusive SmartStructure II truss system is engineered as part of the chassis and provides superior strength, rigidity and balance. To prevent corrosion, the structure is pre-primed and coated with rust-inhibiting paint.

1. The steel cage cockpit gives the Roadmaster and Workhorse chassis incomparable strength and safety at the front of the coach.
2. Every Roadmaster chassis features a steel firewall for added protection in the cockpit.
3. The Allison® 2100 MH 6-speed transmission features a pushbutton shift pad.
5. A 5,000 lb. hitch receiver with dual connector, 4-pin or 7-pin, is prewired for a supplemental braking system that works with your tow vehicle.
6. Radial tires (255/70R/22.5) let you drive with peace of mind.
