

The Horizon 6904 RS Living Quarters scream "Take me camping." One of the smallest living quarters Sundowner offers, this all aluminum trailer is available in a 2, 3, or 4 horse. The 6904 RS comes standard with an air conditioner, microwave, cook top, and full bathroom with shower and toilet. Designed with maneuverability and lighter weight in mind for smaller trucks and tighter spots, less time is spent parking and more time riding. Built with the quality and standards people have come to expect in a Sundowner, it carries a 3 year hitch to bumper and 8 year structural warranty.
